Policy on Refusal of Entry

The Organizing Committee of an event may refuse the entry of any competitor or dog for just cause should the Committee view that participation by the competitor or dog could be prejudicial to the sport. However, in such case, the Committee must notify the competitor in writing upon receipt of entry, but in no case, more than three days following the event closing date for acceptance of entries. The burden of responsibility for the appropriateness of such action rests solely with the host group and its Organizing Committee.

NSF Check/Credit Card

Any check or credit card that is charged back by the bank or other financial institution may be assessed a service charge of up to \$40 per incident at the discretion of the host group.

Returned checks or credit card returns do not constitute a valid entry. Amounts shall be paid within 30 day of postmarked notice of the returned payment if such date follows the event date. Any fees not received within 30 days of notice will result in cancellation of event results for all classes related to the entry for which payment was made. No reinstatement of results is possible, and all awards must be returned within 10 days of notification or the dog's registration may be suspended pending restitution.

Any unpaid fees or shortfalls must be paid prior to the start of the event, or entry is canceled without recourse.

Refund Policy

There shall be NO REFUNDS for entries withdrawn after the closing date for acceptance of entries, for absentee, dismissal from the event as a result of disciplinary action, dismissal from a class, or for any other reason. Also, no entry fees will be refunded if the event cannot open or be completed by reason of riots, civil disturbances, acts of terrorism, fire, "act of God", public emergency, strike, or any other cause beyond the control of the host organization.

Submission of Entries with Secondary Move-Up Date

All entries or cancellations must be received at the Secretary's address no later than the closing date, after which time no entries will be accepted or cancelled. For entries received by the closing date, the level of entry into a given class may be advanced by notifying the Secretary in writing via email by the "Secondary Closing Date". No other changes, cancellations or additions may be made after the initial closing date.

To be accepted, entries must be complete, signed (by parent or legal guardian if handler is a minor), received by the closing date and accompanied by the correct fees and include a valid USDAA registration number on a completed registration form.

Next-Day Move-Ups Allowed At This Event

Competitors earning a qualification during the Event that is needed to complete a title may advance their level THE NEXT DAY at the same event, i.e. move-ups on consecutive days ARE allowed.

Competitors are responsible for keeping accurate records of their qualifying scores and the judges from whom these scores were earned prior to this event to ensure that the dog is eligible to move up based upon scores earned at this Event. Competitors are advised to confirm scores earned with the scorekeeper and judge at the conclusion of a class to ensure the qualifying score has been accurately calculated and awarded in accordance with regulations. If for any reason it is determined that the score or previous scores were inaccurate, making the entry ineligible for the higher level class, any results (including awards) shall be forfeited and the entry will be deemed invalid without refund or other recourse.

Move-up forms supplied by this event must be used to notify the secretary BEFORE she leaves the site the day on which you earn your title.

Check-in & Measuring

Dog Measurements & Certification

All dogs not jumping 24" in the Championship Program or 20" in the Performance Program at local and regional events must be measured unless they have permanent USDAA or World Cynosport Dog Registration status or a temporary card with 3 signatures as required by the regulations, making the dog eligible for their jump height (prior to 3 years of age). Please note that only dogs 18 months of age and entered in the event may be officially measured.

Measuring Dogs Entered In Intro Program Classes

Dogs entered in the Intro Program classes that are under the age of 18 months SHALL NOT have measurements recorded should measuring be available at an event. ONLY an approved Advanced or Masters-level judge of record OR an Advanced or Masters-level judge hired for measuring purposes may measure an entered dog 18 months or older AND record that measurement on a temporary height card. A temporary height card sent to USDAA containing one or more of the required 3 measurement(s) prior to the age of 18 months will be returned so that the measurement process can be completed per regulations.

A dog NOT entered in the trial is ineligible to be measured.

Check-in & Class Start Times

Friday check-in time will be 9:00 to 9:30 AM. Classes will tentatively begin at 10:00 AM on Friday.

Saturday and Sunday check-in will be from 8-8:30 a.m. Saturday and Sunday classes will tentatively begin at 9:00AM.

Please see your final confirmation email for the confirmation of start times.

A Dog that Measures Up at Check-In - May Run FEO

If a judge's measurement of a dog at check-in establishes that the dog is ineligible for the height class in which entered, the competitor may

- Run the dog at the higher height in the same program based upon the measurement,
- Modify the entry to enroll the dog in the proper height class in the Performance Program,
- Modify the entry to enroll the dog in the proper height class in the Veterans Program if the dog is 8 years old
- Run For Exhibition Only (FEO) at the next lowest jump height, but only in the program entered.

Because entry into a higher height is permitted in the Performance and Championship Programs, a dog measuring lower may not be moved to a lower height in either program.

...

General Entry Conditions

Prohibitions on Aids & Devices

No leads, collars, food, toys or other aids or devices shall be permitted on the course at any time, except as provided for in Chapter 10 when Intro Program classes are offered, or in Chapter 8 when Junior Handler Program classes are offered.

Statement of Responsibility

Competitors alone are responsible for the behavior of their dogs, children or guests. A competitor whose dogs, children or guests create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Event Organizing Committee, be asked to leave the test site.

Policy on Fault Limits

In the event of a larger entry, fault limits may be set at the discretion of the Organizing Committee and/or Judge without pre-event notice.

Spam Blocker

Confirmations will be sent via email using the secretary's address. If you have a spam blocker on your email account, please configure it to allow email from the secretary's address since confirmations will be sent from this account.

Class Descriptions

Miscellaneous Training Classes

- Saturday Un-Numbered Standard Course and Sunday Tunnelers Course.
- Open to all competitors
- No treats, no audible toys. Non-audible toys are allowed.
- SCT of 65 seconds with a horn at 55 seconds.
- Supportive touching allowed, no harsh voices or handling.
- May ask judge to keep his/her distance or not be present.
- No placements or Qs will be awarded.

Intro Program Classes

The Intro Program is designed to help new competitors measure their progress in training and to acclimate to the fundamental elements in dog agility competition. Competitors with dogs that are at least fourteen (14) months of age and have not earned a title in the Championship, Performance or Veterans programs are eligible unless entered in the same class on the same day at the event in the Championship, Performance or Veterans programs when Intro Classes are offered at a regular event.

Obstacle standards shall be the same as in the Starters Class with exceptions noted in Chapter 10 of the regulations, as amended. See http://usdaa.com/rulesReg_eBook.cfm on USDAA's web site for details, which are incorporated here by reference.

Performance standards for the Intro Program Classes are the same as in the Starters level except as modified by special rules for each class as detailed in Chapter 10. Qualifications earned are accumulated toward title certification in each class - Standard, Jumpers, Gamblers and Snooker - and overall for a versatility title.

A competitor who is otherwise not eligible under the regulations for entry to the Intro Program for titling purposes may enter the Intro Classes for exhibition only ("FEO") at the clubs option, provided they are not also entered in the same class type in another program (i.e., Championship, Performance or Veterans). An FEO round is ineligible for qualification, prizes and awards. Non-audible toys held in hand may be utilized in an FEO round.

The FEO competitor may opt to run the course utilizing regulation A-frame heights as provided in Chapter 10 of the regulations, as amended July 1, 2016, for the Intro Program. See http://usdaa.com/rulesReg_eBook.cfm on USDAA's web site for details, which are incorporated here by reference.

See entry form for details regarding jump / A-frame heights offered and FEO availability.

Titling Class Rules & Descriptions

One or more titling classes shall be held at this Event from those described in Chapters 3 - 8 of USDAA Official Rules & Regulations, which are downloadable from www.usdaa.com/rulesReg_eBook.cfm, and any amendments there to, which are downloadable from www.usdaa.com/rulesReg.cfm, each of which are hereby incorporated by reference.

Veterans Program Classes

Veterans level classes offered at this event are open to a competitor with any dog that is at least eight (8) years of age as of the first day of this event. Previous experience in the sport sufficient to establish proficiency and confidence in performance is strongly encouraged. Once a competitor has earned a qualifying score with a dog in a Veterans class, the dog is no longer eligible to enter that class in the Championship or Performance Programs when a Veterans class is offered. Complete program rules can be found at www.usdaa.com/rulesReg_eBook.cfm which are downloadable from www.usdaa.com/rulesReg.cfm

Junior Handler Program

These classes are for children eighteen years of age and younger. Four progressive levels of competition are offered as outlined in the current USDAA Rules & Regulations: Beginners (on or off leash), Elementary, Intermediate and Senior. Each dog/child team must have a separate Junior Handler registration number with a "J" prefix. A dog may not compete in the same level with two different handlers at the same event. Competitors entered at the Beginners level will take a 10-question written (oral if the child is too young to read) prior to the start of that level. Answers will be reviewed with all competitors.

Tournament Class Rules & Descriptions

One or more tournament classes are being held at this event, the rules and description of which may be downloaded on the Internet at www.usdaa.com/gen_formDoc.cfm, and are hereby incorporated by reference. A written copy may be obtained from the Event secretary.

Mixed-Height Pairs Entry Allowed

Dogs entered as partners in pairs relay at this event may be combined without regard to jump height, i.e. a mini dog may be entered as a partner with an open dog. Any pair consisting of at least one open dog must qualify in accordance with the QCT set forth by the judge of record for Open Pairs AND will be considered an open pair for placement purposes.

Team & Versatility Pairs Measure-up Policy

The handler of a dog entered in Team or Versatility Pairs must notify the secretary immediately should their dog be required to jump a higher height by virtue of the judge's measurement. The dog must jump the higher jump height in order to be eligible to earn a qualifying score in the tournament. If entered in Team, the dog may not be moved to Versatility Pairs. If the handler chooses *not* to have their dog jump the higher height, their entry is effectively withdrawn. The competitor may or may not run for exhibition only (earning no qualifications) solely at the discretion of the event secretary; there shall be no refund of fees paid.

If the change in height makes the dog ineligible for their team (three jump heights), the secretary will make every effort to form complete teams from dogs available. A move-up in height for dogs in Versatility Pairs does not affect their team composition, but may result in a change in their position in the running order because of the height composition of the Pair.

Masters Challenge Classes - Championship & Performance

All dogs - regardless of level of competition - are eligible for entry in the Masters Challenge classes and to earn qualifying scores. These qualifying scores will remain on the dog's record and calculate toward Masters Challenge titles once the dog achieves the Masters Standard / Masters Performance Standard and Masters Jumpers / Masters Performance Jumpers titles.

Additionally, these dogs continue to be eligible for their appropriate level in the regular classes at all levels, unless stipulated otherwise in the Agility Test Schedule. Competitive placements in the Masters Challenge Standard and Jumpers classes accumulate points for annual ranking for Agility Top TenSM and Performance Top TenSM.

Masters Challenge Biathlon

This Biathlon consists of two classes; Masters Challenge Standard and Masters Challenge Jumpers. While these two classes will count as titling runs, they also form the biathlon where scores will be converted to time plus faults. After the two classes, scores will be combined to calculate those dogs in each jump height earning eligibility by posting an overall score in the top 25%. A dog scoring an elimination in either class will be eliminated from Biathlon award contention.

See complete rules at www.usdaa.com.
