Y N

- ☐ ☒ Statement of Housing Needs and Strategy for Addressing Housing Needs.
- ☒ ☐ Deconcentration and Other Policies that Govern Eligibility, Selection, and Admissions.
- ☒ ☐ Financial Resources.
- ☒ ☐ Rent Determination.
- ☐ ☒ Homeownership Programs.
- ☐ ☒ Safety and Crime Prevention.
- ☐ ☒ Pet Policy.
- ☐ ☒ Substantial Deviation.
- ☐ ☒ Significant Amendment/Modification

(b) The PHA must submit its Deconcentration Policy for Field Office Review.  
Sent as an attachment.

(c) If the PHA answered yes for any element, describe the revisions for each element below. The following were revised in the DHA ACOP reviewed and approved by the Board of Commissioners on 6/14/2016.

**Policies that Govern Eligibility, Selection and Admissions:**

*Admissions and Continued Occupancy Policy, Chapter 3, changes made in accordance of HUD requirements or recommendations*

- *Removed references to divorce or separation decree*
- *Added phrasing to include family members forced to leave a housing unit due to actual or threatened abuse*
- *Added several references clarifying that an arrest must be substantiated when documenting criminal activity and arrest records alone cannot be used as proof for disqualifying criminal activity*
- *Added several references to VAWA of 2013*
- *PHA Policy is now to include in its "notice of denial" information about the protection against denial provided by VAWA*

**Financial Resources:**

- *Resident Opportunity & Self-Sufficiency (ROSS) Grant for Senior Services Coordinator was not renewed.*
- *Private funding will be utilized with the RAD Program for and the AMP 1 Public Housing Residential buildings will changed Project-Based Voucher Housing.*

**Rent Determination:**

- *EID Maximum was changed to 2-year disallowance from 4 years*
- *The 2015 Appropriations Act requires that flat rents must be set at no less than 80 percent of the applicable fair market rent (FMR) or the housing authority must apply for an exception to set a different flat rent*

**New Activities.**

**B.2** (a) Does the PHA intend to undertake any new activities related to the following in the PHA's current Fiscal Year?

Y N

- ☐ ☒ Hope VI or Choice Neighborhoods.
- ☐ ☒ Mixed Finance Modernization or Development.
- ☐ ☒ Demolition and/or Disposition.
- ☐ ☒ Conversion of Public Housing to Tenant Based Assistance.
- ☒ ☐ Conversion of Public Housing to Project-Based Assistance under RAD.
- ☐ ☒ Project Based Vouchers.
- ☐ ☒ Units with Approved Vacancies for Modernization.
- ☐ ☒ Other Capital Grant Programs (i.e., Capital Fund Community Facilities Grants or Emergency Safety and Security Grants).

(b) If any of these activities are planned for the current Fiscal Year, describe the activities. For new demolition activities, describe any public housing development or portion thereof, owned by the PHA for which the PHA has applied or will apply for demolition and/or disposition approval under section 18 of the 1937 Act under the separate demolition/disposition approval process. If using Project-Based Vouchers (PBVs), provide the projected number of project based units and general locations, and describe how project basing would be consistent with the PHA Plan.

**Conversion of Public Housing to Project-Based Assistance under RAD.**

- *Provide the projected number of project based units: 184 units*
- *Location for project based units: Mineral Park and Whittier Park*
- *How project basing would be consistent with the PHA Plan:*  
*Affordable Housing will still be available to residents who will continue to pay 30% of their income toward rent and they maintain the same basic rights as they possess in the public housing program.*  
*Participating in the RAD Program allows the Housing Authority reinvest in the public housing stock. This is critical given the 25.6 billion dollar backlog of public housing capital improvements.*

	<p>As stated in the 2016 PHA Plan, according to the Dover Consolidated Plan Housing Market Analysis, approximately 1/3 of renter occupied units are considered substandard (overcrowded and/or lacking complete plumbing facilities). The DHA 184 units to be refurbished through RAD were built in the 1950s. The DHA has sought additional funding to get ahead of deficiencies and avoid disrepair and poor living conditions. As the buildings age, and repairs and upgrades are needed for the structures. Electrical and plumbing systems are costly and the needs are not being fully met through Capital Funds. With outside funding from investors, the Housing Authority can now upgrade the housing and provide safe, decent, and quality housing.</p> <p>There is still a great need to expand the number of affordable units in the Dover area and the Housing Authority will continue to seek opportunities to increase housing available.</p>

### **Deconcentration Policy**

The Dover Housing Authority endeavors to provide for de-concentration of poverty and encourage income mixing by bringing higher income families into lower income developments and lower income families into higher income developments. At least forty (40) percent of newly admitted families in any fiscal year shall be families whose annual income is at or below 30% of the area median income. The DHA will skip higher income families on the waiting list to reach extremely low-income families to meet this requirement.

The Dover Housing Authority will affirmatively market our housing to all eligible income groups. Lower income residents will not be steered toward lower income developments and higher income people will not be steered toward higher income developments.

### **Deconcentration Incentives**

The Dover Housing Authority may offer one or more incentives to encourage applicant families whose income classification would help to meet the deconcentration goals of a particular development.

Various incentives may be used at different times, or under different conditions, but will always be provided in a consistent and nondiscriminatory manner.

**Progress Report in Meeting Mission and Goals**

1. The Plan is consistent with the applicable comprehensive housing affordability strategy (or any plan incorporating such strategy) for the jurisdiction in which the PHA is located.
2. The PHA has established a Resident Advisory Board or Boards, the membership of which represents the residents assisted by the PHA, consulted with this Resident Advisory Board or Boards in developing the Plan, including any changes or revisions to the policies and programs identified in the Plan before they were implemented, and considered the recommendations of the RAB (24 CFR 903.13). The PHA has included in the Plan submission a copy of the recommendations made by the Resident Advisory Board or Boards and a description of the manner in which the Plan addresses these recommendations.

  - Adoption of a site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
  - The PHA shall take reasonable measures to assure that such a waiting list is consistent with affirmatively furthering fair housing;
  - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR part 903.7(c)(1).

**RESIDENT ADVISORY BOARD (RAB) MEETING: AMP 1**

March 8, 2017, 6:00 p.m.

Seymour Osman Community Center, 40 Hampshire Circle, Dover NH

**Staff Present:** Allan Krans, Executive Director; Kathy Noel, Administrative Assistant; John Maloney, Capital Improvements Coordinator; Mark Leno, Director of Family Services; Cynthia Miller, Family Self-Sufficiency Coordinator; Cathryn Conway-Dorr, Senior Resident Services Coordinator; Jim Gagne, Maintenance Supervisor

**Residents Present:** Doreen Kester, Debbie Harris, Heather Heaphy, Cristy Horne, Gloria Dibble, Lisa Canny, Desiree Frisbee, Linda Hartford, Felicia St. Laurent, Barbara Neslusan, Kelly McCarthy, Rebecca Trowbridge, Joseph Devore, Catherine Beaupre, Carol Richards, James Stephan, Kim Stephen, Kris Longenberger, Brandon Stephen, Shelby Kennedy, Patricia Banley

Allan Krans convened the meeting at 6 p.m. He explained that the meeting would begin with a presentation of the PHA Annual Plan and then he would address concerns about the RAD program.

Kathy Noel presented the Plan to the residents. There were no questions specifically about the overall PHA Plan.

The residents had many questions about RAD. Questions were addressed by the Executive Director about the renovations and relocation plans.

Q: Where will we be when we are moved out of our apartments as they are renovated?

A: There will be a couple buildings chosen to be set up as "hotels".

Q: Who pays for the electricity in our original unit while we are at the hotel?

A: You would continue to pay your electricity but we will pay for costs above 10% your normal bill if needed.

Q: Would we have the same number of bedrooms?

A: The number of bedrooms in your new apartment will depend on your household composition and HUD regulations.

Q: Can we bring our pets to the hotel?

A: Yes, we will arrange for your pets to be in the hotel.

Q: What about those of us with severe pet allergies?

A: That is something we will have to address.

Q: What types of repairs/changes would be made?

A: There will be updated plumbing, wiring, kitchens, bathrooms, asbestos removal.

Q: Would individual units be done or whole buildings at a time?

A: We plan to do whole buildings at a time.

Q: Would our rent go up?

A: Rents will still be set, as they are now, by HUD regulations and increases would be phased in.

Q: Will the hotel have washers and dryers?

A: No, that is not the plan but we can investigate it further.

Q: If the basement storage is being taken away from us, what do we do with all our stuff?

A: We recommend you sort your belongings, especially items stored in your basement, when it is your turn coming up to move. We will be providing dumpsters for unused, unwanted belongings. There will be no charge for the service.

Q: Can we have access earlier to the dumpsters rather than waiting until it is our turn to move?

A: Yes, we will arrange that.

Q: Will there be wheel chair accessible units in the hotels?

A: We will work that into the plan and new ramps will be built for the renovated units.

Q: What will be the plan to address bed bug issues?

A: Each unit and all belongings will be inspected before packing and moving. The hotels will be inspected regularly and new units will be inspected before you move in.

Allan Krans thanked the residents for coming and told them as we are able to finalize more details, we will keep them informed. The meeting adjourned at 7:30 p.m.

**RESIDENT ADVISORY BOARD (RAB) MEETING: AMPs 2 and 3**

March 17, 2017, 1:00 p.m. Central Towers, 279 Central Ave., Dover NH

**Staff Present:** Kathy Noel, Administrative Assistant

**Residents Present:** Sheila Neatback, Wilma Fournier, Bob Files, Pat Files, Nancy Kennedy, Claire Caswell, Carol Cavanaugh, Joseph Baron, Pricilla Gavel

Kathy Noel convened the meeting at 1 p.m. She explained the purpose of the meeting is to talk about the PHA Plan as drafted, to hear their comments and concerns and to relay them back to Management and the Board of Commissioners.

Residents of Central Towers were the only attendees and all questions were concerning that building. Answers that were not readily available by Ms. Noel, were relayed to and answered by Management. A copy of the summary was mailed to all attendees.

Q: Why does Waldron Towers have comfortable upholstered furniture in their common rooms and we can't?

A: The furniture at Central Towers was replaced with new furniture that is less likely to transfer bed bugs. The furniture has not been replaced in all common areas yet, but it will be. We are doing everything we can to prevent infestations.

Q: Can we have someone come back and work on our new intercom system? It makes bad screeching noises when you turn the volume up. The office knows it is a problem and it was supposed to be fixed.

A: Another work order was put in after the meeting. The contractor may have to come back to address the issue. Please call the office for a work order if you are experiencing an issue. It is difficult to know if it is one, many, or all residents having the same problem.

Q: Can the downstairs carpets be replaced?

A: It is in the budget to replace the 1<sup>st</sup> floor carpets at Central Towers.

Q: When will we get new washers?

A: Management is looking into getting prepaid card-operated machines vs. the coin machines in the buildings. Please call for work orders as needed if the machines are not working properly.

Q: When will the dropped ceilings be replaced at Central Towers?

A: Doing the ceilings at Central Towers is in this year's budget. The lights and exit signs on the first floor are in the 5-year plan.

Q: Why does wheelchair ramp go to the road instead of alongside the side of the building to the parking lot?

A: If the ramp was placed alongside the building snow and ice from the roof could be a safety hazard.

Q: Can we have the back cement stairs replaced?

A: That would be an operating budget item. A work order was put in after the meeting but it may have to wait for warm, dry weather.

Kathy Noel thanked the residents for attending and adjourned the meeting at 1:30 p.m.

**DHA Statement on the  
Violence against Women and  
Department of Justice  
Reauthorization Acts of 2005 and 2013 (VAWA)**

Pursuant to the enactment of Public Law 109-162, the Dover Housing Authority has incorporated the provisions of VAWA in all programs administered by HUD including but not limited to:

- Public housing;

2. Is living in, or seeking admission to, any of the covered housing programs.

Detailed information on VAWA is provided to all HUD program applicants and participants, including landlords and property owners.

### Significant Amendment Definition

The Housing Authority will consider the following to be significant amendments or modification:

- Changes to rent or admissions policies or organization of the waiting list;
- additions of non-emergency work items (items not included in the current Annual Statement or 5-year Action Plan) or change in use of replacement reserve funds under the Capital Fund;
- Additions of new activities not included in the current Public Housing Drug Elimination Program Plan (PHDEP)

An exception to this definition will be made for any of the above that are adopted to reflect changes in HUD regulatory requirements; such changes will not be considered significant amendments by HUD. The PHA Plan template issued pursuant to the Interim Rule does not include a space for the required definitions. Therefore, PHAs choosing to do so must submit their definition as an attachment to the PHA Plan.
- As part of the Rental Assistance Demonstration (RAD) program, the Dover Housing Authority has redefined the definition of a substantial deviation from the PHA Plan to exclude the following RAD-specific items:
  - Changes to the Capital Fund Budget produced as a result of each approved RAD conversion, regardless of whether the proposed conversion will include use of additional Capital Funds;
  - Changes to the construction and rehabilitation plan for each approved RAD conversion;
