**Toft Across the Generations
(The TAG project)**

Over the coming months some of the youngsters of Toft will be interviewing older Toft residents and asking them about their memories of childhood, the post-war period,

and so on. In our archives we have photographs of Toft families across the generations, some of which we reproduce below. If you have any photos of the different generations of your family that you'd be happy to share with us for our exhibition on the afternoon of 2nd May 2015, please contact Mike McCarthy on 262523 or mactoft@btinternet.com.
