SUBJECT: DRAFT FORMATION GUIDE PASO ROBLES BASIN WATER DISTRICT APPENDIX D – GLOSSARY (Recommend review and discuss)

Recommendation. It is respectfully recommended that the Commission review and discuss the attached Appendix D – Glossary to the Draft Formation Guide.

Summary. At the November 2014 LAFCO meeting, the Draft Formation Guide for the Paso Robles Basin Water District was reviewed and discussed by the Commission. The Draft Formation Guide was included for review and comment and continues to be available on the LAFCO Website at www.slolafco.com. The document is a working draft with the intent of being an informational guide that helps everyone understand the formation process.

At the November meeting the Commission requested an appendix be added to clarify the list of acronyms and their definitions. The attached Appendix D provides the list of abbreviations used within the Draft Formation Guide.

Any input and feedback from the public, the Commission, and others is appreciated. Appendix D - Glossary would be provided along with the Draft Formation Guide on the LAFCO website under the “PR Water Basin” tab.
