

# Northwest Suburban Integration School District Inter-District Partnership (IDP) Virtual Workshop

## Cultural Appropriation vs. Cultural Appreciation

Wednesday, March 3, 2021

12:30 – 3:00 PM

Participants will learn from three powerhouse presenters about the understanding and misunderstanding of cultural appropriation versus cultural appreciation. We live in a multi-cultural world, work in multi-cultural districts, and how we understand culture is very important.

Our dynamic presenters will lead a conversation about the difference in appreciating culture versus appropriating culture, and the trauma that appropriating cultures create.

### As a participant, you will:

- Identify and define cultural appropriation.
- Define and come to a clear understanding of cultural appreciation.
- Develop a plan to help community when witnessing cultural appropriation.
