#### Europe Muslim Population by Cities

According to the Pew Forum, the total number of Muslims in Europe in 2010 was about 44 million (6%). The total number of Muslims in the European Union in 2010 was about 19 million (3.8%). The French capital of Paris and its metropolitan area has the largest number (up to 1.7 million according to The Economist) of Muslims out of any city in the European Union. London also has a substantial community of Muslim origin, numbering about 1 million within the limits of Greater London and exceeding this figure when the entire metropolitan area is taken into account.

If the current rate of migration of Muslims to Europe and the Muslim fertility rate remains constant, by 2030, people of Muslim faith or origin are predicted to form about 10% of the French population and 8% of the European population.
