All campers are to be dropped off at Victoria Park and picked up at either Victoria Park (on or before 12pm) or the North Dumfries Community Center (Change Room Area), where there will be a login/logout sheet to be signed by the child's parent/guardian each day. Please make sure the information in the book is correct and that proper emergency contact information has been provided. **At the end of the day, it is best to pick up from the exit door at the back of the building as the front doors might be closed.**

## EARLY DROP OFF AND LATE PICK UP

Early drop off is between 7:30am and 9:00am daily. Late pick up is available between 4:00pm and 5:30pm daily. If you wish to take advantage of this opportunity, please make sure the camp has been notified prior to your camp start date.

## MEDICATIONS AT CAMP

Parents of children requiring prescription medication while at camp must complete a Medical Consent Form on site. Medication must be stored in its original container with only the one day's dosage in it and submitted to camp staff each morning. Do not place medication in with your child's belongings for self-administration.

## EPI-PENS & INHALERS

Any child bringing an epi-pen or inhaler to camp must bring it in a separate fanny pack/case that the child must wear at all times. Please check expiry date on supplies prior to the start date of program. A Medical Consent Form will need to be completed on site.

## ILLNESSES/ABSENCES

To ensure everyone has an enjoyable program, please be respectful of the exclusion guidelines for communicable diseases. Know when to play, and when to stay away to prevent the unnecessary spread of common childhood illnesses. If your child will be absent for any reason, please contact the Camp Director.
