South Central Dakota Regional Council

The Scoring and Ranking Committee of the South Central Dakota Regional Council (SCDRC) met on Wednesday, May 9, 2018, to allocate the council's Community Development Block Grant Funding for 2018. The committee is comprised of one representative from each of the nine (9) counties that comprise the council. Steve Brubakken, Stutsman County Representative, chaired the committee that reviewed the four (4) project applications received by the council. Representatives of each applicant made a fifteen (15) minute presentation and answered questions from committee members. Projects are scored on a wide range of criteria including such things as low-income persons served, project readiness, cost efficiency and overall conformance with the council's approved Program Distribution Statement.

The following is a listing of the projects submitted to the council that the committee scored and ranked:

Project:	Location:	CDBG Request:	Total Project:
Affordable Housing	Barnes County	\$100,000.00	\$260,000.00
Senior Housing	Streeter	\$65,816.42	\$90,445.00
Water Improvements	Zeeland	\$42,110.00	\$47,110.00
Community Center	Verona	\$86,261.00	\$103,467.00

The Executive Board of SCDRC, at its meeting on Wednesday, May 16, 2018, will be asked to review and approve the committee recommendations prior to submission to State of North Dakota, the administrator of Community Development Funds for the U.S. Department of Housing and Urban Development.
