Petaluma River Clean Up 2015

Thank you to all of you who represented Lokahi OCC at the 2015 Petaluma River Clean Up this past weekend. The Friends of the River organization also expressed their appreciation for our efforts in helping collect over 4,000 pounds of trash from the river we all enjoy and train on.

Day Under The Oaks Festival

The Day Under The Oaks event was a great success and well attended (over 10,000 people went to enjoy the day). Thank you to all who helped load and unload the canoe, represented Lokahi at the event and enjoyed the day. Next year we hope to see more of you there—it is a day to be remembered.

Auntie Faith Thompson Ako at The Mystic Theater

Auntie Faith will be performing at the Mystic Theater on May 27th here in Petaluma! As we all know she is a wonderful performer and generous with her support of Lokahi. It is our turn to support her locally! Informational flier will be sent out and posted.

Coaches Message

Thank you everyone for working so hard as we approach our first race this month! Endurance is up, techniques continue to improve and competitive spirits are high. Remember to consider paying your race fees for the Sprint Season in advance (if there are any left over funds at the end of sprint season, you can request a refund or donate the balance). This avoids the need to have race fees paid each week by Thursday evening. Reminder, Lokahi does not collect for long distance races, those fees are to be paid directly to the hosting club.

Equipment Shed at Marina / Information

The left side door at the equipment shed has been reorganized to make distribution of upcoming race registration, sign ups for equipment purchases, safety updates, events, club information, and crew lineups **MUCH EASIER** to find. Please do not post personal items on the door or rearrange any of the clip boards.

We will be updating and changing items up here on a regular basis so please make this your "go to" location for the latest info. Any questions please contact your coaches.

****Please remember to check all canoes after washing them down and remove any equipment (safety bags, life preservers, etc.) before storing them along the walking path—THANK YOU****

June Garage Sale

Lokahi will be having it's annual garage sale fundraiser on June 13th. **LOKAHI NEEDS DONATIONS IN ORDER TO MAKE THIS A SUCCESSFUL EVENT.** Lokahi can sell anything you don't need: appliances, furniture, clothes, etc. Details to follow on time and place to drop off your goodies.
