

VETERANS OF FOREIGN WARS AUXILIARY

TREASURERS

IMPORTANT INFORMATION

APRIL 2019

THANK YOU, to all that are using the 'MALTA SYSTEM' and find it easy to use.

Now – I know that many of us like the ease of using the computer system to send various forms to this office. **But two forms that I CANNOT ACCEPT are a MEMBERSHIP APPLICATION or CONVERT TO LIFE for a Member. I must have payment with these forms for me to process.**

Second item of concern – If you have the Membership Applications that are not dated “revised 1/19” in upper right corner...**PLEASE** destroy all other ones.....**PLEASE** use this current form. It is available on line and if you are not on the computer and need a copy let me know and I will forward one to you.

THIRD ITEM – It is time for elections and you must be current with your AUDITS. If you do not have the four(4) needed Audits on file your Delegation will not have voting privileges at District and Department Conventions. Please do not put your availability to vote in jeopardy.
