RALLY AND MARCH

Saturday 16 February 2019 from 1pm – 3 pm

The Mondo, outside Penrith City Library, 601 High Street Penrith

1. Do you feel ripped off having to pay an **M4 TOLL** which increases every 3 months for the next 42 years?
2. Do you **GIVE A DAM** about Warragamba Dam wall being raised so developers can build on floodplains?
3. Do you agree we need to **FIX NSW** from the theft and vandalism of this State?
4. Do you want to **SAVE WINDSOR FROM THE RTA's** carnage through the centre of this heritage area?
5. Do you think we should be advised about flight paths and curfew for **WESTERN SYDNEY AIRPORT**?
6. Do you care about the dangerous levels of **NURSE RATIOS** at Nepean Hospital?
7. Do you loathe how TAFE has been decimated with savage cuts to staff and courses? **REBUILD OUR TAFE.**

Now is the time for you to stand up and fight back! We need to **CHANGE THE RULES** in this country to give working families a fair go and to protect the environment in which we live! People power got the proposed Incinerator for Western Sydney knocked off last year and people power will continue to send a loud and clear message to this government - we are fed up with the politicians' hidden agenda decisions and we will continue to take on the big fights by challenging powerful special interests who prey on Western Sydney residents.

Come along to this rally – stand up and be heard – bring your placards and banners and let's lift up a shout across this State all the way to the NSW Parliament.

We're mad as hell and we're not going to take it anymore!

DON'T MESS WITH THE WEST!
