BREEDING - RACING THOROUGHBREDS

JUNE 2018 NEWSLETTER

Hello Partners, Friends and Followers!

We wish to thank those who visited Bergen Stables this month and allowed us the opportunity to show off all our horses! It was a pleasure to have them and our horses loved interacting with their new friends! They are looking forward to making more!

Our foals are thriving and all together in a large field with their moms. Let the antics begin!

A huge thank you to all who have been praying for our filly, Jewel. She was scheduled for hernia surgery and the doctors discovered an infection in her femur bone. They will tend to the infection before the hernia. Jewel is improving and will keep you all updated.

Our mares are healthy, happy and well and we are pleased to announce that many are in foal!

Romancing the Cat and **True Prosperity**, our two-year-olds, continue to improve in their training every day and have been learning the gate. We are looking forward to their first breeze.

Our yearlings are getting big! We have been making plans for them to enter the next chapter of their lives as future champion racehorses!

Stallions **Make Reservations** and **Trickmeister** are very pleased with themselves as breeding season comes to an end. Sorry fellas!

Our partnerships continue to fill up. If you're interested, please do not hesitate to contact us with any questions or concerns.

We invite and encourage all friends and partners, along with their family and friends, to join us at the farm in Gardiner, NY almost any Saturday, as well as during breeding and foaling days. The experience is rewarding and a great way to relieve stress and have fun! Majestic View Farms is quite picturesque - remember to bring your camera!
