

The Schiff Dance Collective Beginning Training Company

Our pre-professional student companies are designed for the beginning-advanced dancer teen-adult. Members will receive exceptional training and performance opportunities to further their expertise utilizing a whole person training method.

We believe in the art of dance as a powerful tool that allows us to find our deepest brilliance. We believe in every student's right to find their true movement and awesomeness, so they may bring it to the world. Our whole person training method challenges dancers physically, mentally, and emotionally. This method guides dancers to achieve a greater self-awareness and confidence, heightened motivation, greater work ethic, and the ability to captivate and move an audience. This method includes; Ballet, Jazz, Lyrical Jazz, Contemporary, and Schiff-ting.
