

**AFTER SCHOOL ENRICHMENT FEES & SCHEDULES**

Universe of Colors After School Enrichment classes are for Kindergarten and Elementary School children (1st through 5th grade). In them, we will introduce your child to a new language with a fun after school program. Classes are provided in one of these two languages: Spanish or French.

Our classes are 2 hours long. You may select how many and which days a week you want your child to attend. We also provide Before and After Care for an additional fee.
