Arnold Elementary School PTA

2019-2020 After-School Enrichment Parent/Student Contract

The PTA offers its After School Enrichment program as a service to the Arnold Elementary students and community. All instructors, proctors, and other PTA volunteers have committed and will continue to commit time and energy into making these classes both educational and fun. The success of the program depends on each and every adult and child in the program being treated with respect in order to create an enriching and enjoyable environment for all. Any problematic behaviors will be addressed with the child and brought to the attention of the child's parent/guardian at pick-up time or by phone. *Continued disruptive or disrespectful behavior or late pick-ups will result in the child's **removal** from the program.* If we ask you not to bring the child back to the class because of disruptive or threatening behavior, you will not receive a tuition refund.

My child and I have read the above statement together and we understand that it is my child's responsibility to help maintain a positive environment through respectful and cooperative behavior.
