

Summer is just around the corner.....

KNOWAutism

Planning your summer!

School will be out in a few weeks - need help finding a program?

Summer camps, theater classes, social skills groups and employment transition programs - we have information on these programs and more!

Please [contact us](#) for more information!

AUsome April!

What a month it was as we educated the University of Houston - Downtown, community groups, parenting groups and police cadets. KNOWAutism is dedicated to educating all audiences about what it means to be on the autistic spectrum, why it matters to you and the importance of [autism acceptance](#).

If you're looking for a speaker - we would love to educate your audience about the challenges of autism. Give us a call or send an e-mail!

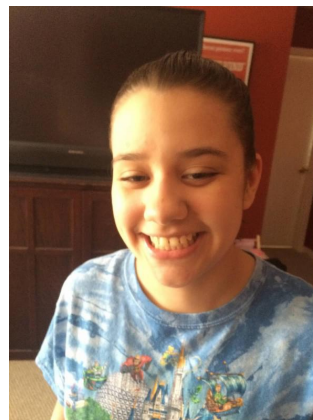

Meet one of our grant recipients!

It costs more than \$1 million dollars to raise a child with autism, and it costs more than \$2 million dollars if the child also has an intellectual disability.

KNOWAutism helped this recipient by paying for services that were not covered by insurance.

Help us help our families!
