

President's Message for January 2018

The annual SCTA Banquet for the 2017 El Mirage season was outstanding & definitely was a good time had by all!

A ton of work goes into preparation for the banquet. It takes countless hours by many people to set it all up. I would like to start by thanking Bobby Sykes Jr. for all of his work arranging the banquet venue & menu, etc. etc. etc. Once again a GREAT Bobby! Also to all of the people from the Westminster Rose Center, WELL DONE! Thanks also to JoAnn Carlson & the entire EMLA for their very creative center pieces. Thanks also to Ron Main for all of his hard work in handling the trophies & getting them pick up & delivered. Mike Manghelli was our MC & once again did an amazing job. THANKS MIKE!! Thanks also to Keith Pederson for handling our raffle. Thank you to all who donated to our raffle also. It all helped make it a wonderful evening!

Our 2018 SCTA Rulebooks are coming along & should be done soon. Thanks to Roy Creel & his committee of proof readers. They will be distributed just as soon as they're finished. We appreciate everyone who has helped with the rulebooks. Thank you all!

Before you know it, our season opener "The May Meet" will be here. I'm sure everyone is busy getting their cars & bikes ready. We're busy too getting ready to put as many vehicles safely down the course as possible. Let's check all those CB radios & Patrol buckets so when flag drops we're all ready!

We are looking forward to another GREAT El Mirage season & as usual we'll be.....RACER FRIENDLY!

My new motto for this year is, NO MORE BACK DOOR!!!!

“ SEE YA ON THE DIRT “

Pat McDowell
SCTA President / Race Director
