DATES TO REMEMBER – SEPTEMBER 5 – LABOR DAY POT LUCK!!
OCTOBER 15, SATURDAY, YARD SALES
(CALL MO FOR MORE DETAILS)

PETS - Remember must be on a leash. I have to admit my Yorkie ran out the door and we were off and running chasing her. My screen is one of those hanging kind and easy to get out of. We did not purposefully let her out. Our backyard is perfect for her – she just likes to visit everybody.

Oh, be aware – we came home late the other night and low and behold here is a big cat, mostly black with some white sitting in our kitchen window. Not sure how it got there unless thru that same screen when we were chasing down our puppy. Said cat was not happy with us but let Bob pick her/him up and we put outside.

Remember – the first Monday of every month, unless a holiday and then on Second Monday, is the Board meeting everyone is invited to. We go over general park interest information. You are also welcome to participate. We have goodies at the end of the meeting provided by the Board.

Re our Potluck – we have approximately 47 coming – now Bob and I gotta go buy all the stuff – hamburgers, buns, mustard, mayo, ketchup, relish, pickles, and onions – hope I got it all. Bring drink of your choice please. We are going to use up all our misc., plates etc., and then restock kitchen. Swimming if you want.

Cooler weather is on the horizon or so they say. I hope so because I just can't abide the heat. September should be cooler anyway.
