

Our Omaha Gives! Results

Thanks to you, our donors, the foundation had its best year yet during Omaha's 24-hour charitable challenge raising \$13,187 for Douglas County Health Center's long-term care residents. What a result! We are so grateful to everyone who believe in our efforts, touted our organization and donated to our cause. All of the money donated this year will be use towards the purchase of an eSea Virtual Aquarium for Alzheimer's/dementia residents living on Tranquility Road. It is thrilling to be able to bring this technology to their neighborhood, thank you. We appreciate your support!
