HOT LUNCH PROGRAM 2018 – 2019 (12 MONTHS)

This program ensures that the children receive nutritious food that helps them through their busy day.

This daily lunch will be delivered by a catering company that specializes in food for children. It is fresh and varies daily. Also, these lunches will be served at their right temperatures, ensuring their quality. Thus, the TFMS students of age 5 and under are required to participate in our lunch program.

You will receive a menu detailing the food items that will be served. The menu is subject to change periodically. We will keep you updated.
