

Is The Journey from Psychotherapy to Sacretherapy® For You?

10 Question Survey

- 1) Have you been searching for something to make you stop feeling depressed, anxious, resentful and angry, or to stop feeling like you are losing your mind?

- 2) Have you been wanting to feel more at peace, stable, whole, connected, happier and free - but having trouble maintaining those feelings?

- 3) Has something gone wrong in your life or relationships due to your ingrained beliefs or conditioning - and you feel like you just can't get it right?

- 4) Do you have a diagnosis or issue that is stopping you from living the life you came forth to live?

- 5) Have you lost all hope and thought about giving up or even suicide?

- 6) Are you in therapy or had therapy, but something still seems to be missing?

- 7) Or are you sick of therapy but don't know what else to do?

- 8) Are you afraid of medication or prefer the natural path and herbal remedies?

- 9) Have you been leery of professional help because you only want your higher power to help you?

- 10) Or are you tired of being told that all you need to do is go to church and pray?

If you answered yes to any of the above, Sacretherapy® sounds like what you're looking for!
