Sunday August 25 th 9am – Noon	Sunday Sept 8th Noon-2pm

The goal of the competition is to shoot 5 steel targets as fast as you can.

Each match will have 5 stages where those 5 targets are arranged in different patterns. We will shoot 5 times at each of 5 official steel challenge stages keeping the best four times/scores for each stage

At the end of the match, all 5 stages will be tallied up, the person with the lowest overall time for all 5 stages, in their class, will be the winner of the match.

Scoring and course of fire will be explained before each stage/match, so new comers are definitely welcome. This is a BRAND NEW competition at the SWR&G.

There will be three classes of competitors: .22 rifle, 22 pistol (hand gun) and center fire pistol (handgun)

Entry fee \$10.00.
