

CCE ABSENCE REQUEST

I am requesting approval for my child to miss team practice. I understand that missing practice has a significant impact on the team's ability to effectively practice that day and may result in rearrangement of my child's position in the routine, if that benefits the team as a whole.

CCE Allstar Absence Request Forms must be submitted for pre-approval no less than 7 days in advance. All absences (including school functions or pre-planned vacations) not submitted for pre-approval 7 days in advance will be considered unexcused.

****ABSENCES WILL NOT BE APPROVED DURING THE 2 WEEKS BEFORE A COMPETITION!**
