BCA Accepts PreventionFIRST! Award

On April 28th 2017, the BCA was awarded the Rachel Hutzel Prevention Partner Award from PreventionFIRST!

This award is presented to an organization from the tri-state region that has demonstrated notable progress, results and/or innovation in youth substance use prevention. The award can be based on organizational growth, implementation of new prevention strategies, or

demonstrated outcomes from prevention programs or initiatives.

The BCA is humbled and honored for this prestigious award. We

would like to thank our community partners and coalition members for helping us in this endeavor to keep our youth drug-free in Boone County!

Congratulations Young Boone Member Mackenzie Miller!

On April 28th 2017, Young Boone Member Mackenzie Miller received Youth Honorable Mention at the PreventionFIRST! Awards Luncheon.

Mackenzie is a senior at St. Henry District High School, and plans to attend Northern Kentucky University in the fall. She is also a founding member of Young Boone, a service learning group organized through a partnership by Boone County

Alliance, Boone County Public Library, and Seven Hills Church.

Through her work in Young Boone, Mackenzie has either led or participated in many projects to prevent youth substance use in Boone County.

Mackenzie has been able to accomplish all of this while maintaining a full course load during her senior year of high school, including AP courses, as well as

other volunteer activities. She is a role model for her peers, demonstrating all of the benefits of being drug-free.
