Treasurers report- Andy Zody presented YTD revenues and expenses. He commented on a very successful banquet that brought in record amounts of revenue through raffles and auctions. Due to this revenue the impact to the budget was minimal. Most members commented on the venue being very good. Andy also commented on NASO raising their insurance rates for the 2nd year in a row. There is also some concerns on our facility rentals. Shirts for 2015- 2" or 2 1/4" is the question. Board discussed with decision coming soon.

Membership Forms- Andy submitted both Membership and Availability forms for 2015 members. They will be added to website for members to download and return.

Final Meeting Dates- Dan Durst sent over to Board the Meeting Dates and sites for upcoming 2015 season. Board will approve and put on website.

2014 Playoff Review- Bill submitted a synopsis of our recent playoffs that detailed many new members being given opportunities for the 1st round thru the semi-finals. Not only do we continue to receive our share of games but also receive good comments from the CIF and Head Coaches who request the IFOA.

Playoff Selection Proposal- Tim and Shane submitted a proposal that determines the process of selecting qualified playoff game officials. It was a process that involves all white hats, board members, assignor and instructional chairman. Citrus Belt AD Proposal- In an effort to improve officiating through HUDL, the AD's were contacted to get their feedback on possibly extending their filming on their games to show positioning of officials thru the entire play.

HUDL Improvement- Discussion took place on how we as a group could maximize our HUDL experience for the benefit of everyone. Thoughts were universal availability for all white hats and also having someone in charge of the HUDL program under the direction of the Instructional Chairman.

Assignors Contract- Contract was extended for an additional year by unanimous vote of the Board.

Instructional Chair- Contract was not voted on at this time but will be taken up at next meeting.

Respectfully Submitted,
