NAVIGATING MDS 3.0 — RAI TRAINING FOR SKILLED NURSING FACILITY STAFF

MDS 3.0 is a critical nursing facility assessment tool that can directly impact resident quality of care, survey outcomes, your publicly posted quality measures, and your reimbursement. Make sure you and your staff know how to complete the MDS 3.0 accurately the first time.

This two-day course offers a comprehensive MDS 3.0 training and presents the provider's perspective on this key assessment tool.

In this training, participants will review:

- All sections of the MDS 3.0 and rules pertaining to each
- The Care Area Assessment (CAA) Process
- MDS 3.0 and Patient Driven Payment Model (PDPM)
- How the MDS is Used in the Survey Process
- Utilizing Casper Quality Measures Reports

This class is designed for staff who seek a thorough review of the MDS 3.0, whether they are veteran staff or newcomers.

WHO SHOULD ATTEND

Administrators, DNSs, RCMs, and any staff member responsible for completing any part of the MDS. *Note:* Attention will be given to all participants of the care planning team, including Dietary, Activities, Social Services and Nursing.

PARTICIPANTS WILL RECEIVE

- List of Procedures for Completing MDS
- Guidelines for Documenting CAAs
- Examples of Completed CAAs
- Regulations Pertaining to the MDS
- Handouts Related to Quality Measures

ESSENTIAL TO CLASS PARTICIPATION:

EACH PARTICIPANT MUST BRING THE CURRENT MDS 3.0 MANUAL

It is vital that all attendees bring the latest RAI/MDS 3.0 Manual (printed or electronic) to class. The manual may be downloaded from the CMS website:

INSTRUCTOR

Demi Haffenreffer, RN, MBA, President of Haffenreffer & Associates, has made long-term care her profession since 1973, first as a Director of Nursing and, for the last thirty-five years, as a consultant. Demi is known as a dynamic and interesting presenter. Her thorough knowledge of the regulations combined with her extensive hands-on experience provide for practical, everyday solutions to the challenges facing the care giver and facility.

In 2011, Demi assisted the Colorado Foundation for Medical Care with a CMS grant to publish the Model Program for Quality Performance called "QAPI." Demi is a facilitator for the AHCA Leadership Excellence Self-Assessment System and is currently serving on the Washington Health Care Association Quality Improvement Committee. She has served on the American Healthcare Association (AHCA) Quality Improvement Committee, Oregon State Resident Safety Review Council, the Steering Committee of MOVE (Making Oregon Vital for Elders, an outreach of the Pioneer Network), as a member of the Oregon Patient Safety Commission, and as a Master Examiner on the Board of Examiners for the AHCA's Quality Improvement Award, an award granted to the top performing facilities in the Nation. Demi has taught workshops nationally and internationally on a variety of subjects pertinent to long-term care and has authored five policy and procedure manuals.
