

ALISMAIL OFFICE SYSTEM - AOS

ALISMAIL OFFICE SYSTEM - AOS is one of the pioneers in manufacturing & fabricating of steel furniture in kingdom of Saudi Arabia.

In 1972, the company began operations in a modest factory in Dammam, years later, ALISMAIL has become a major manufacturing company due to the remarkable growth it experienced from the start, nowadays Alismail Office System is now considered one of the biggest and more advanced company, and leader in producing top of the line and quality Steel Furniture.

ALISMAIL also strive to maintain a quality work environment, which has a direct impact on the retention and productivity of our skilled employees. ALISMAIL is a model of excellence whose entrepreneurial performance and vitality have been rewarded with numerous prestigious awards.

Our commitment to sustainable development is also recognized in our industry. For all these reasons, we take great pride in presenting Alismail Office System to society, an industry leader and a contributor to the economic and social development of our communities — through its products, its success and its responsible vision.

SINGLE PANEL SYSTEMS

For the largest openings, storage in remote pockets and in complex partition layouts, the single panel is the operable partition of choice. our single panel systems provide the ultimate in versatility and flexibility, allowing such capabilities as multiple room setups and changes in the location of pass doors

and work surfaces.

- Solves complex layout challenges.
- Satisfies high ceiling requirements with custom engineered panels up to 30feet high.
- Accommodates wide variations in floor conditions.
- Simplifies setup and storage with the use of the Smart Track suspension system.
- Often used in conference, multi-purpose, hospitality, and convention facilities.

PAIRED PANEL SYSTEMS

For straight-line openings that do not require multiple locations or offset storage, our paired panel system is ideal. Quick and easy setup is possible since panels are hinged together in groups of two and move in a straight line within the opening.

- Hinged together in groups of two, facilitating quick, easy setup
- No auxiliary storage track or support required
- Economical overhead support of straight-line track
- Smooth operation, Simple automatic bottom seals for efficient operation
- Suited for applications that require exceptional durability, acoustic control and frequent use.
- Panels are designed to be stored at either or both ends of an opening
- Optimal usage in classrooms, meeting rooms or office spaces
- invisible hinges and heavy duty barrel hinges feature lifetime guarantee

CONTINUOUSLY HINGED ELECTRIC WALL

Continuously hinged panels are connected together in a train, extending as one complete unit. our electrically operated partitions facilitate quick setup time and provide efficient and convenient separation. Electric operation provides automatic setup without the need for manually moving the partitions into place.

- Quick and effortless setup
- Totally automatic electric operation allows for quick separation
- Bottom seals are set automatically when the partition is fully extended
- Lifetime guarantee on heavy duty barrel hinges
- Keyed switches prevent unauthorized operation and integrated safety systems insure safe operation for electric partitions
- Optimal for usage in school gyms, classrooms, hotels, and board rooms
- One-piece panels are available on partitions up to 24' tall
