of our visitors for making our
show a success. It couldn't
happen without your
support!***

Greenville Farm Power of the Past
P.O.Box 57
Greenville, OH 45331

Greetings,

As we bid farewell to the 2018 Show Season, our volunteers, directors, officers, exhibitors, vendors and guests worked together to present another successful show. Many hours of work and planning go into each show. The addition of the Cast Iron Seat Collectors to this year's show made for something new and different.

There were some new challenges this year with changes in camping regulations and the addition of dog registration. With the help our staff, the Darke County Ag Society, the Darke County Health Department, and the understanding of our visitors we got through this with only a few problems. Thank you all.

The planning for 2019 is in full swing. We will be welcoming the **Buckeye Allis Club** and **The New Idea Historic Preservation Committee**. We will also feature the **Fractional Horsepower Gas Engines**. Other brands of tractors and equipment are always welcome. The displays, demonstrations, flea market, and food concessions provide something of interest to most everyone that attends our show July 11-14, 2019.

We are always looking for good members and encourage them to step up and offer to become directors. Our officers are selected from the Directors.

I want to thank all who were present at the 2018 show, no matter what your role was, you helped make the show a success. I would also invite you to attend and be a part of the 2019 Greenville Farm Power of the Past.

Von Oswald, President

937-547-1845

Feature Engines (MI)	26
Feature Engines – Oil Field	16
Other Engines	117
Model Engines	12
Hot Air Engines	1
Total Engines	172
States Represented	16
Foreign Countries	1

The Buckeye Oliver Collectors held their summer show with us, which brought several new visitors to our show. They had a very good representation of their current members and welcomed several new members to their club.

The Cast Iron Seat Collectors held their summer meet with us. This was the first time for this group to be in this area and we look forward to hosting them again in the future.

The Oil Field Engine Society has always a welcome addition to our show and we were pleased to host them as a feature group.

A neighboring group in Indiana, The Randolph County Antique Tractor Club, spent Saturday with us after driving their tractors about twenty miles to get to our show.

CAMPING IN 2019

Although we had new regulations from the Darke County Health Department and the State of Ohio, everything went smoothly in July. We will be following the same rules in 2019: campers will be spotted, no "u" shapes or "4 square," with 15' on either side of the camper and 10' back to back.

We would like to thank Dewaine Minnich and Jim Kauffman for their many years of service as camping officials. Larry Parrett will be in charge of camping in 2019.

Dogs in the campground area will need to be registered in the show office. The information we need is similar to that of getting a dog license, including the date of the dog's last vaccination. We have to make this information available to the Darke County Fairboard only if there is an issue with a dog's behavior such as biting or attacking someone. There is no registration fee for this.

Questions about the 2019 camping regulations or dog registration should be addressed to the Darke County Agricultural Society (Fairboard) at 937-548-5044 or the Darke County Health Department at 937-548-4916.

As plans are finalized, there will be updates posted on our website or on Facebook. The first updates on our website will appear in November.

2019 SHOW HIGHLIGHTS

We will be hosting the Buckeye Allis Club and the New Idea Historic Preservation Committee at our July show. This will be the first time for both of these groups to be a part of our show.

The Buckeye Allis Club was formed in 1996 and has grown to over 250 members.

The New Idea Historic Preservation Committee was established as part of the Mercer County Historical Society in 2000. The New Idea Company employees lived in several western Ohio counties and is part of our local history.

Berachah Valley performed at our show in 2017 and will return in 2019 with their repertoire of traditional bluegrass, gospel, and favorites from over the years.

The Faithful Sons gospel quartet will provide music during the Sunday morning church service.

There will also be the familiar favorites: the DCTPA tractor pull, the WOGTPA pull, horse & pony pull, horse & mule fun days, kids' activities, quilting, tractor and engine displays, demonstrations, flea markets, and food!

SAVE THE DATE

21st Annual Reunion July 9 – 12, 2020

Featuring

*Cockshutt & Co-op, Minneapolis
Moline, & Indiana Built Engines*

Hosting

*The Buckeye Regional Cockshutt &
Co-op Summer Show
The International Cockshutt Club,
Inc. (ICCI) Summer Show*

IMPROVEMENTS

New signs on the grounds and at the gates were added in 2018.

Please note the information on the tri-fold about Gates 5 and 6. These gates lead to our main parking areas and a shuttle will be available to the main show area. We would also like for anyone hauling a golf cart, gator, etc. to use the parking area at Gate 5 or Gate 6. Handicap parking on a paved area is available at Gate 2 close to the main show area.

MEETING DATES

Regular meetings are held at the Steam Thresher Building on the Darke County Fairgrounds at 7:00 PM on the dates listed below. All meetings except the Election are on Monday evenings.

November 19, 2018

December - No Meeting

January 21, 2019

February 18, 2019

March 18, 2019

April 22, 2019

May 20, 2019

June 17, 2019

July 2019 - No Meeting

August 2019 - No Meeting

September 16, 2019

October 20, 2019

November 18, 2019

December 2019 - No Meeting
