CHINA CENTRIC
ASSOCIATES

## Mike Corkran, Founder & CEO – Cleveland

Mike has operated manufacturing and services businesses in China since the early 1990's in high and medium tech industries. As President of North America and Asia Pacific for RELTEC, a Cleveland-based NYSE-listed telecom equipment manufacturer (subsequently acquired by Marconi), Mike led the start-up and management of five manufacturing businesses and two development centers in five different Chinese cities. Mike earned a B.A. degree in Economics from Dartmouth College and an M.B.A. from the University of Rochester.

## Phil Shih, Founder & Sr. Managing Director – Zhuhai and Taipei

Phil is an American expatriate executive who has lived and worked professionally in China since 1993. Phil has held senior general management, engineering and sales management positions with multi-national companies including AT&T/Lucent, RELTEC, Nortel and Gemplus. Phil earned a B.S. degree in Engineering from Taiwan National University and an M.S. degree in Electrical Engineering from the University of Southern California.

## KC Ho, Managing Director – Zhuhai and Hong Kong

KC has over 28 years of China experience in general management, engineering, manufacturing, supply chain management, and business start-ups. KC has worked in China for large public companies such as IBM, GEC, RELTEC and Marconi. KC is a Chartered Professional Engineer, recognized in Hong Kong, U.K., and Australia. KC is an Australian citizen and earned his B.S. and M.S. degrees in Electronics Engineering from the University of Hong Kong and an M.B.A. from the University of Strathclyde, U.K.

## Michael Wong, Managing Director – Shanghai

With over 22 years of general management, sales and marketing experience in China, Michael has managed both JV's and WFOE's. Michael has been General Manager of manufacturing operations in Guangzhou, Tianjin, Beijing and Shanghai. Michael has personally led over two dozen manufacturing and services start-ups for multinational companies. Michael earned a B.S. degree in Engineering from Hong Kong Polytechnic Institute and an M.B.A. from the University of South Australia.

## Nancy Seibert, Managing Director – Cleveland

Since the mid-1990's, Nancy has been developing successful China marketing and sales initiatives and building high performance supply chains. As Director of International Marketing for RELTEC, Nancy led marketing activities of four China subsidiaries manufacturing wireline and wireless products to China network service providers. Nancy has been involved in the manufacturing start-up of a range of industrial technologies in China, including injection molded plastics, printed circuit boards, and metal fabrication and castings. Nancy earned a B.S. degree in Industrial and Systems Engineering from The Ohio State University and an M.S. degree in Engineering Management from Northwestern University.

## William Haggerty, Managing Director – Cleveland
