## CCCC's Club Mtg

March 13, 2022

Sunday at 10:00 am

On Zoom

A Non-Profit Club Dedicated to Service

## CCCC President

Hello Everyone!

I hope this finds you well and healthy. I'm sure we all will be glad to be out and about, have in person meetings again, and be able to gather for our festivities again. For those of you who are new to the club, we have a picnic at Miller Knox Park in Point Richmond. We have a Christmas party every year and everyone leaves with a gift.

Our Zoom meetings are going well. I hope we see many of our members on the next Zoom meeting.

Please take care of yourselves. We look forward to seeing you.

## **CCCC Membership Report**

### **February 2022**

Thank you to all members who have paid your dues! I sent reminders by mail to members who have not yet sent dues for 2022. We need every member's support!

The Technical Committee is working hard to keep the repeater running smoothly by making continual improvements. Membership dues help fund repeater maintenance and improvements. It's great to have so much member support.

More members are checking into the morning and evening nets. This is a fantastic way to get to know each other and to accomplish their goals. Join in, you'll be glad you did!

## **CCCC Minutes**

**February 13, 2022**

Present: Audrey, Burgie, Alvin, Roger, DJ, Joe, Xia, Howdy, Mathison, David, Wing, and Michael.

Call to Order: Burgie called the meeting to order at 10:03 am.

Minutes: of the January meeting are available in The Communicator.

Treasurer's Report: Current checking account balance: \$5867.84; Savings: \$631.74. Treasurer Audrey reported there are twenty-five members who have not yet paid their dues. She will send reminders this week.

Technical Committee: Howdy reported that the owners of the repeater site have added wood along the fence bottom for greater security and have performed general site clean-up. There is concern about the feed lines which go through the old repeater shack into the new building. He said we need to retrofit to get the feed lines going directly into the current shack. He estimated it would cost about \$500.00 per feed line for three lines. Audrey moved the club spend \$1500.00 to retrofit the feed lines. DJ seconded the motion. The motion passed unanimously.

The technical committee is still working on Echo Link. They will be putting it directly into the controller.

Net Report: DJ would like more check-ins on 220 on Tuesday night.

Announcements: David reported that OES is planning a Ham Cram and wanted information on available VE's for the event. Contact David, KJ6AAT, if you can help.

Burgie adjourned the meeting at 10:45 am.

**Respectfully submitted,  
Audrey Nieman W6BBQ

Hello CCCC Members,

Two months in, and it feels a whole lot better. Nets are having better participation, and Jan's "Question of the Day", is still bringing them in.

Maybe by summer, we might be able to have a picnic? Or a couple of Pizza nights? Face to face club meetings, Christmas party? It just feels so close to normal. It's only three months till summer.

One thing is for certain this year, Melody and I are going traveling. The last few weeks, we've planned day trips, and with Covid protocols in place, we have managed to navigate destinations without any glitches. It hasn't been a problem, so now we are going to be on a six day trip to Ventura, to meet relatives.

Everything is getting back to normal, and we still need to be vigilant.

Head on a swivel, stay safe and enjoy, 73's,
