## INSIDE THIS EDITION:

- Message from the Board of Directors
- Healthy Guidelines
- You're Invited
- Activities and Events
- Important Dates to Remember
- Save the Dates
- Off Road Drivers

A Warm Spring Welcome to our new LTRVP members and to everyone returning from the long cold winter.

## Association Members, Friends, & Neighbors:

Spring has sprung, goodbye winter! By far, spring is the most anticipated season as it marks the end of a long winter of snow & ice. Of course, with its arrival comes the parks "spring breakup". Our snow packed, well-groomed streets become a ratty, bumpy mess during the "big thaw". This too shall pass, and we will look forward to seeing the green grass, flowing ponds, chirping birds and return of friends.

Many infrastructure issues have arisen as our park ages. The Board has worked very hard this past winter to address the most serious, the sewer lift stations. New pumps, rebuilt pumps and custom screens designed to prevent foreign objects from damaging the system have been implemented. All newly designed control panels will be installed within weeks.

Our swimming pool has been thoroughly cleaned from top to bottom and has met the April 1<sup>st</sup> re-open date. The water is sparkling. All chemicals are checked daily for your health and safety.

The Ranger & golf carts have been repaired and serviced by our Caretaker, Tim Stiers. The old golf cart that sat abandoned in the storage yard has been brought to life once again and will be used by our summer workers. Summer workers, Bert & Sue Patrick will return soon to assist in the summer chores. Welcome back!

Spring is on the march! Enjoy the warmer days everyone.

Board of Directors

To review board meeting minutes go to: [www.leisuretimervparkonline.com](http://www.leisuretimervparkonline.com)

If the links to the websites in this newsletter do not work when you click on them you might try typing them in.

**Healthy Guidelines** - For the most current Health and Safety Guidelines for Region Four visit [www.cdhd.idaho.gov](http://www.cdhd.idaho.gov). A health advisory is not enforceable by law. We are asking people to do what's in the best interest of their own health and that of the community by following current health advisories. Thank You.

You Are Invited to Attend

## Activities Committee Meeting

Saturday, May 1, 2021 at 10:00 AM in the Pavilion

The purpose of this initial meeting is to help increase engagement with our members and identify activities and events that interest our diverse community. We believe this is best accomplished when all our members have an opportunity to share ideas and/or volunteer to facilitate an activity or event. Your input is important and valuable to the LTRVP community.

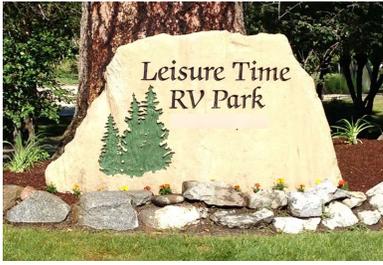

If you are unable to attend in person your suggestions are still welcome. Just email to [janm4060@outlook.com](mailto:janm4060@outlook.com)

### Reader Board, Bulletin Boards, Web Site, E-mail and Face Book

These are all places where you can locate information for LTRVP upcoming ACTIVITIES AND EVENTS that will be planned for all members to enjoy. In addition, there will be postings for activities planned by individuals that may have a limited participation such as workshops, hobbies, card clubs, etc. We hope everyone finds an activity that sparks their interest whether it's joining a small or large group activity, lending a hand to beautify the neighborhood or driving down a dusty trail on a nice summer day. ENJOY!

Yes, I am a ball of innocence and fluff  
But please help me be considerate  
and keep me on my leash.

## Important Events to Remember

Please check the website and reader board for dates and times  
<http://www.leisuretimervparkonline.com>

- **Annual Meeting Notice, Ballots and Candidate Resumes will be mailed.**
- **Meet the Candidates at 10:00 AM in the Pavilion.**
- **Final Day for ballots to be received.**
- **Annual Meeting in the Pavilion**

## Save the Dates from the Cascade Community Events Calendar

More information and updates available at [www.cascadechamber.com](http://www.cascadechamber.com)

- Saturday, June 26<sup>th</sup>, 2021 -Armstrong Park from 2 pm to midnight. Enjoy music, food, artist and activity booths. Live bands will perform from 7-10 pm. Outdoor family friendly movie begins at 10:10 pm.
- Sunday, June 27<sup>th</sup>, 2021 Park behind the Legion Hall. The Army Band will be performing a free concert for the community. There will also be more events that the American Legion will be hosting in conjunction with the concert. More info to follow about this event as it becomes available.
- Saturday and Sunday, July 3<sup>rd</sup> and 4<sup>th</sup>, 2021 - 32<sup>nd</sup> Annual Roseberry Arts and Crafts Fair.

## CARETAKER'S CORNER

I hope these small steps help maintain a property that looks good for everyone to enjoy and be proud of.

YARD WASTE BIN is conveniently located next to the storage lot for lot clean-up. This bin is put in place for you to dispose of yard waste such as leaves, limbs, plant clippings, etc. We kindly ask that you do not dispose of any other debris in this YARD WASTE BIN. No plastic or household garbage.

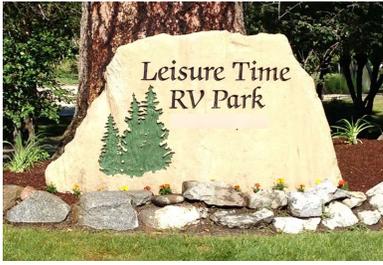

COMMUNITY YARD WASTE BIN is often located near the fire department and we ask that you use this when possible during the time it is in place.

HOUSEHOLD GARBAGE DUMPSTERS are put in place for HOUSEHOLD WASTE ONLY. These dumpsters are not to dispose of any furnishings like indoor/ outdoor furniture, carpets and rugs, mattresses, appliances, etc.

RECYCLING – Is encouraged and appreciated. Start a recycling pool with your nearby neighbors to make fewer trips to the facility.

NEW LAKE FORK FACILITY OPENED in DECEMBER  
8 E Lake Fork Road (next to Road Department Building)  
HOURS: TUESDAY, THURSDAY, FRIDAY....8am – 5pm  
WEDNESDAY....9am – 6pm SATURDAY....10am – 4pm

## Tips for Off Road Drivers

For this and more information about ATV/UTV safety and awareness visit <https://www.offroad-ed.com/idaho>

Having fun on off-road trails or getting a demanding job done are high priorities when using an Off Road Vehicle (ORV), but safety should always be the highest priority. Much of the potential danger of riding can be mitigated by undertaking proper UTV/ATV safety training, making sure your off-road vehicle (ORV) is in good working order, and taking the appropriate safety precautions. Your safety, and the safety of those around you, is paramount. Learn the ropes, stay cognizant of the riding situation and conditions at all times, and, of course, have fun!

- Wear Protective Off-road Gear
- Inspection of Your Off-Road Vehicle
- Understand the Controls & Parts
- Learn to Ride Safely
- Understand the Types of Terrain You Are Riding
- Know How to Sit Correctly on/in an ATV or UTV

## What to Avoid

- Driving Too Fast - Resisting the urge to drive at excessive speeds throughout every ride are one of the most important components of safety. At high speeds, you have less control, and obstacles appear in your path with much less warning. Turns are more difficult to execute, ruts and potholes pack a much bigger punch, and momentum can more easily get the better of you. Drive at comfortable speeds to allow you and your group to enjoy the riding experience.
- Not Knowing the Laws & Regulations - Always be aware of the ORV rules and regulations for a given location. These laws are not only meant to protect you, other users, and the environment: They also help protect that the ability to off-road will be allowed to continue in a particular place. Ignoring regulations can get yourself or somebody else hurt, land yourself a nasty fine, and potentially impede riding opportunities for others in that area.

***“People need to care about their community if they’re going to act for the benefit of their community. Most often it comes down to them caring about somebody in their community.”***  
 – Paul Born

**Extra! Extra!**

The City of Cascade’s monthly newsletter was added to our LTRVP web page with other newsletters in the information tab.
