Continuing Education/Continuing Medical Education (CE/CME) Activity

WHEN: 12n (Central Standard Time) • Friday, November 17, 2020

Social Justice/Cultural Humility and Unconscious Bias (12N)

Presentation Purpose: Traditionally, cultural competence activities have been used to convey information on cultural considerations and mitigate the harm that can be done to clients when there is a lack of cultural awareness. Today, cultural humility education must evolve to include self-awareness strategies that promote a better understanding of defensiveness, emotional reactivity, and social responsibility.

This activity will be discussing health disparities and how it impacts health outcomes; social determinant of health roles on health outcomes; importance of diversity and inclusion and unconscious bias and culture competency.

Learning Objectives: Upon completion of this activity participants should be able to:

- How health disparities impact patient outcomes
- How social determinants of health impact health outcomes

Speaker(s) Bio:

Mona n. Fouad, M.D., MPH

Senior Associate Dean for Diversity and Inclusion
Director Minority Health and Health Disparities Research Center
School of Medicine
UAB

ACTIVITY SNAPSHOT	
Activity Type:	Live/Enduring Activity
Release Date:	November 17, 2020
Expiration Date:	November 17, 2021
Continuing Education Credits:	
	1.0 CME/CE for Physicians (ACCME)
	1.0 CME/CE for Physician Assistants (AAPA)
	1.0 CPE for Pharmacists (ACPE + NABP)
	1.0 CNE for Nurses (ANCC)
	1.0 ASWB for Social Workers (ASWB)
Estimated Duration:	1 hour (Per Activity)
Content Last Reviewed:	November 17, 2020

Dr. Fouad is involved in several minority-specific research studies, including serving as the PI for the Cancer Care Outcomes Research and Surveillance Consortium (CanCORS), an NCI-funded study, and the PI of a R01 NCI-funded study to assess minority and low-income women beliefs in relation to participation in research studies. This study will also test a community-based intervention to enhance women's compliance and retention in cancer prevention studies. Dr. Fouad is the PI for the UAB Minority Screening Center of the NCI-funded "Prostate, Lung, Colorectal, Ovarian Cancer (PLCO) Screening Trial". She is also the PI for two CDC-funded projects entitled, "Racial and Ethnic Approaches to Community Health by the Year 2010", and "Analyzing the Gap: Prostate Cancer in Black and White Men". The primary goal of the first project is to eliminate the disparity in breast and cervical cancer morbidity and mortality between Caucasian and African-American women in the state of Alabama. The main goal of the second project is to determine reasons for disparity in prostate cancer morbidity and mortality between African-American and white men. Dr. Fouad is also the PI for the UAB Cancer Center and Tuskegee University Partnership which is a study funded by NCI to assist minority institutions and investigators to enhance their research capabilities. She is also the Co-PI for the Deep South Network for Cancer Control and the UAB/Morehouse School of Medicine Partnership and is responsible for the training and career development of minority students and faculty within the Network and the partnership. She has served as a Co-Investigator for the CDC funded project "Breast/Cervical Cancer Screening: Effects of Comorbidity" to assess the impact of the presence of chronic or disabling conditions on breast/cervical cancer screening practices by primary care physicians. Dr. Fouad has also served as Co-PI of the Tuskegee Conference, an NCI-funded study to enhance participation of minorities in cancer clinical trials. Through this work, Dr. Fouad has developed a strong interest in minority health specifically in the area of cancer prevention and control.

Continuing Education/Continuing Medical Education (CE/CME) Activity

WHEN: 1:30P (Central Standard Time) • Friday, November 17, 2020

Perioperative Cardiac Risk Assessment and Management (1:30P)

Presentation Purpose: This activity will present knowledge and experience related to preoperative stratification of cardiac risk and mitigation strategies. Improved knowledge will employ preoperative strategies to reduce adverse outcomes of myocardial infarction, heart failure and cardiac arrest.

ACTIVITY SNAPSHOT	
Activity Type:	Live/Enduring Activity
Release Date:	November 17, 2020
Expiration Date:	November 17, 2021
Continuing Education Credits:	
	1.0 CME/CE for Physicians (ACCME)
(AAPA)	1.0 CME/CE for Physician Assistants
NABP)	1.0 CPE for Pharmacists (ACPE +
	1.0 CNE for Nurses (ANCC)
	1.0 ASWB for Social Workers (ASWB)
Estimated Duration:	1 hour (Per Activity)
Content Last Reviewed:	November 17, 2020

Learning Objectives: Upon completion of this activity participants should be able to:

- Identify the important elements in a patient's history of CAD
- Describe the determinants and predictors of MACE
- Review management of perioperative dual antiplatelet therapy
- Understand different purposes of preoperative evaluation, regulatory requirement vs patient care coordination
- Assure key evaluation and documentation requirements
- Promote importance of interdisciplinary collaboration and communication

Speaker(s) Bio:

Jeffrey B. Dobyns, DO, MSHA, MSHQS, FASA

Associate Professor Anesthesiology and Perioperative Medicine
Associate Medical Director, Perioperative Optimization and Transition Units
UAB

Dr. Jeffrey Dobyns is an anesthesiologist in Birmingham, AL and is affiliated with multiple hospitals in the area, including UAB Highlands, Callahan Eye Hospital, and University of Alabama Hospital. He received his medical degree from Ohio University College of Osteopathic Medicine and has been in practice 20 years.

DISCLOSURE OF RELATIONSHIPS/CONTENT VALIDITY: It is the policy of Ascension to adhere to Joint Accreditation Criteria, Policies, and Standards for Commercial Support and content validation in order to ensure fair balance, independence, objectivity, and scientific rigor in all its sponsored activities. All speakers, Course Directors, Co-Course Directors, planners, reviewers, and staff members participating in sponsored activities are expected to disclose relevant financial relationships pertaining to their contribution to the activity. Relationship information is analyzed to determine whether conflicts of interest exist. All conflicts of interest are resolved prior to participation in the planning or implementation of this activity. Presenters and authors are also expected to disclose any discussion of (1) off-label or investigational uses of FDA approved commercial products or devices or (2) products or devices not yet approved in the United States.

Ascension CE/CME activities are intended to be evidence-based and free of commercial bias. If you have any concerns, please call the Ascension CE/CME Department at 205-838-3225 to anonymously express them.

Commercial Interest: *No commercial interest was received for this ICPE activity*

Faculty/Course Director/Planners:

All Ascension planners and reviewers have no relevant financial relationships with ACCME defined commercial interest.

Ascension has selected all faculty participating in this activity. It is the policy of Ascension that all CME/CE planning committees, faculty, authors, editors, and staff disclose relationships with commercial interests upon nomination or invitation of participation. Disclosure documents are reviewed for potential conflicts of interest and if relevant, they are resolved prior to confirmation of participation. Only those participants who have no conflict of interest or who agreed to an identified resolution process prior to their participation were involved in this activity.

Conflict of Interest: In accordance with the ACCME Standards for Commercial Support, it is the policy of Ascension/St. Vincent's Health to ensure balance, independence, objectivity and scientific rigor in all CE/CME activities. Full disclosure of conflicts and conflict resolution will be made in writing via handout materials or syllabus.

Credit Designation:

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, Ascension/St. Vincent's Health is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

IPCE CREDIT™

This activity was planned by and for the healthcare team, and learners will receive 6.0 IPCE credits for learning and change.

FOR PHYSICIANS:

The Ascension/St. Vincent's Health designates this Live Activity for a maximum of 6.0 credits *AMA PRA Category 1 Credit(s)™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

FOR NURSING:

This activity is awarded 6.0 contact hours. (based on 60 minutes per contact hour)

FOR PHYSICIAN ASSISTANTS:

Ascension/St. Vincent's Health has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 6.0 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

FOR PHARMACY:

This knowledge-based activity qualifies for 6.0 contact hours of continuing pharmacy education credit. Pharmacy CE credits will be submitted electronically to the NABP upon successful completion of the activity.

FOR SOCIAL WORKERS:

As a Jointly Accredited Organization, Ascension/St. Vincent's Health is approved to offer social work continuing education by the Association of Social Work Boards (ASWB) Approved Continuing Education (ACE) program. Organizations, not individual courses, are approved under this program. State and provincial regulatory boards have the final authority to determine whether an individual course may be accepted for continuing education credit. Ascension/St. Vincent's Health maintains responsibility for this course. Social workers completing this course receive 6.0 continuing education credits.

Obtaining CE Credit:

1. Review the live/enduring activity
2. Complete the activity in its entirety
3. Complete the electronic activity evaluation
4. Certificate of completion will be sent 10 days after each activity viewed. CME, PA NP credits will receive a transcript; CE, Social Work, Allied Health credits will receive a CE certificate electronically to be downloaded to individual boards by the participant and ACPE Pharmacy CE credits will be submitted electronically to the NABP upon successful completion of the activity.
