

2017 PAONIA SOIL CO. PRICING FOR EARTH FRIENDLY SUPPLY CO. (ver. 3/21/17)

Product & Description	1 cubic yard tote**
<p><b>The Bomb</b> The ultimate all-natural professional potting mix for vegetative growth that is amended with everything needed to make your plants explode.</p>	\$204.69
<p><b>Raised Bed Mix</b> Add this blend to your existing garden or freshly turned top soil for the easiest and quickest way to convert your yard dirt into world class soil. CSH includes both compost dressings and Coir Peat along with other concentrated ingredients.</p>	\$204.69
<p><b>Featherweight</b> Lightweight soilless seed starting and potting mix with the perfect amount of nutrients to get you from seed to starts in less time than you thought possible.</p>	\$182.69
<p><b>ProBase</b> Ultra light, high performance base mix with only what you need and nothing else. Feed with your own nutrients your own way.</p>	\$177.69
<p><b>Dynamic Dressing</b> High nitrogen, fully cured compost blend for fertilizing either by blending or top dressing. The higher nitrogen and lower phosphorous make this product ideal for allowing beneficial mycorrhizal fungi to get started. Say goodbye to chemical fertilizers or the work of mixing liquid nutrients.</p>	\$214.69
<p><b>The Bomb 50/50</b> The original Bomb recipe, but with a 50/50 mix of coco peat and sphagnum peat.</p>	\$204.69
<p><b>Sphagnum Bomb</b> The original Bomb recipe, but with all sphagnum peat.</p>	\$204.69

\*\* an \$11 per tote deposit will be added and is refundable upon return of undamaged tote
