There was a motion by K Smalligan, 2nd by K Berens to appoint Korpoces as regular member and Stroven as alternate. Vote taken: all yes; motion passed.

Under public comment, Stan Stroven said he would not re-apply as assessor after his term runs out in June 2019. He said he would like to see someone from the township as assessor and not contracted out. He said the State of Mich is getting much more restrictive and it is harder to get certified. If we do have to go with having it contracted out, we should have a written description of the duties etc.

Under board member comment, Stocking said that the horse hitching post at the hall had been installed by Hoppa. He also said that a laptop computer had been bought for Kukal.

K Smalligan said that the building inspector needs to answer the phone messages at the hall. Perhaps the message on the answering machine could give the cell number of the inspector.

Meeting adjourned at 6:35pm.
