

NOTICE OF PROJECT COMMENCEMENT

DETAILED DESIGN OF INTERSECTION IMPROVEMENTS AT TWO LOCATIONS

GHD has been retained by the City of Markham to undertake the detailed design of intersection improvements at two locations.

The projects are located at the intersections of Doncaster Avenue & Henderson Avenue (**FIGURE 1**) and John Street & Steelcase Road West (**FIGURE 2**).

PROJECT LOCATIONS

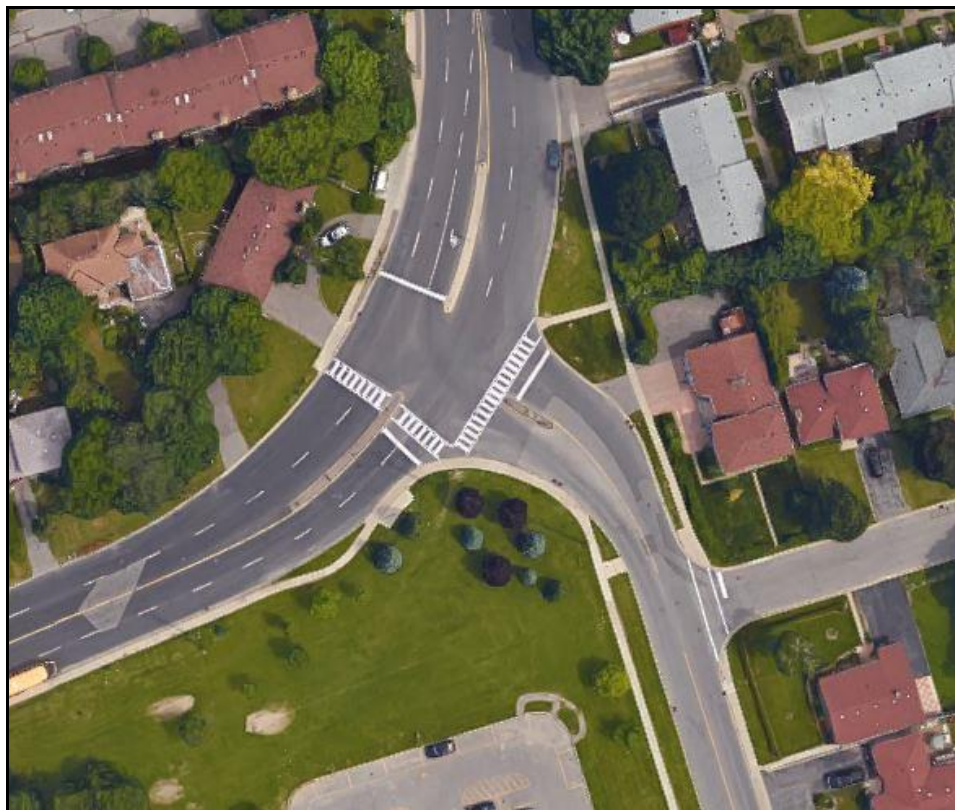

FIGURE 1: DONCASTER AVENUE AND HENDERSON AVENUE

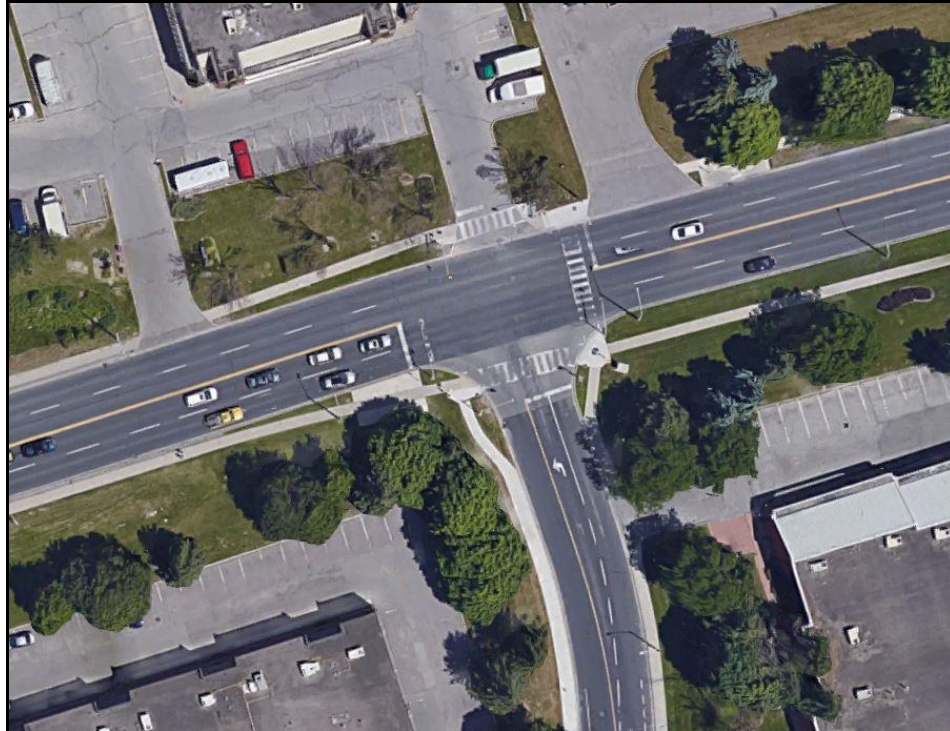

FIGURE 2: JOHN STREET AND STEELCASE ROAD WEST

DETAILED DESIGN

Intersection improvements will be designed in accordance with City of Markham design guidelines and comply with the latest Accessibility for Ontarians with Disabilities Act (AODA). The projects will consist of the following:

Doncaster Avenue and Henderson Avenue

- Road geometry and alignment improvements;
- New traffic signals and street lighting;
- New pedestrian crossings.

John Street and Steelcase Road West

- Westbound and eastbound left turn lanes;
- New traffic signals and street lighting;
- New pedestrian crossings.

GHD will work closely with the City of Markham, public, regulatory agencies, and related stakeholders. The preferred solution(s) will be determined based on engineering requirements, environmental considerations, public input, and information gathered during the design stage.

CONSULTATION

Opportunities to provide input to the planning and design process will be provided throughout the project. This Notice of Project Commencement is being issued to notify the public of the project and invite any comments or concerns.

COMMENTS OR QUESTIONS

The Project Team is interested in receiving any comments that you may have regarding these intersection improvements. Should you have any questions or comments, require further information, or wish to be added to the project mailing list, please contact one of the Project Team members:
