

THE WHITE HORSE AT QUIDHAMPTON

Welcome to The White Horse at Quidhampton. We strive to give a traditional village pub environment, serving a menu of traditional pub favourites. We use locally sourced produce where possible and we never call anything homemade, unless it really is. You are very welcome to ask if you would like further information about how are dishes are prepared or where they come from.

Please, let us know if you have any food allergies or food intolerances. In accordance with EU Regulations we will be happy to provide you with details of allergens present in our dishes, however dishes are prepared in a kitchen where all allergenic ingredients are present and for this reason, we cannot warranty that a dish is 100% free of any specific allergen.

Finally, The White Horse is a pub, not a restaurant. We will try to offer a table service wherever possible, but respectfully ask that orders for food and drink be placed at the bar. We hope that you enjoy your visit today and the time you spend here with us.
