

## Introduction to Airbrushing

Welcome to the world of airbrushing! Learn the delicate art of working with your new equipment and products. You will not need to bring a model to today's class, as you learn the basic principle of controlling your airbrush, master colour theory, mixology and colour harmonies.

Master the art of airbrushing as you learn how to apply a flawless base, highlight and create structure, using compressed air. Allow yourself to be open to some creativity with a colourful approach in this class!

Today we will be creating customised colours through your airbrush, designed specifically to suite your models skin tone. Take your technique to the next level by airbrushing your contour, highlighter, bronzer, blush, eyeshadows and yes, Brows!

Focus on the combination of working your airbrush into your traditional makeup routine. Every artist has a different style and you will find yours as you master the art of airbrush with a focus on bridal.
