## Grosse Ile / MIAT College of Technology– Aviation

---

*This program offers excellent  
career opportunities for male  
and female students.*

---

## Credits, Articulations & Prerequisites

### Credits:

Cross credit with some academic courses (including 4<sup>th</sup> year related math, VPAA, math & science) may be available and will be reviewed on a case-by-case basis with each district's counseling department.

### Articulations:

- Davenport University
- Wayne County Community College District
- Washtenaw Community College
- Western Michigan University
- Others may be available through MIAT College of Technology

### Prerequisites:

- Junior status
- Interview Required
- Algebra or related math
- MIAT approval to move to Aviation II
- Students must provide transportation
- 12:30 p.m. to 3:20 p.m. for Aviation I
- 7:30 a.m. to 10:20 a.m. for Aviation II

## Program Description

This program includes both hands-on as well as classroom instruction. Through the close coordination of framework and power plant curriculum, the student is prepared to enter aviation and non-aviation industry at an entry level.

Students must have counselor approval and the ability to provide own transportation to MIAT College of Technology, completion of Algebra with a C+ or better, acceptable school attendance, and limited after-school activity.

Aviation II is a continuation of Aviation Technician I.

Upon completion of Aviation Technology I and Aviation Technician II, the student is prepared and eligible to apply for licensing by the FAA as either an Airframe or Power Plant Technician.

## Special Features

*While working toward their FAA certification, students spend three hours per day in a classroom/lab environment learning how aircraft are built and maintained. Students earn high school credit towards graduation as well as college transferable credits accepted by several universities. After graduation, students are eligible to take their FAA exams to become certified Aircraft Maintenance Technicians. MIAT College of Technology is accredited by the Accrediting Commission of Career Schools and Colleges.*

### STATEMENT OF COMPLIANCE

The Downriver Career Technical Consortium complies with all federal laws and regulations of the U.S. Department of Education. It is the policy of the Downriver Career Technical Consortium that no person on the basis of race, color, religion, national origin or ancestry, age, gender, marital status, disability or limited English proficiency shall be discriminated against or excluded from participation in any program or activity to which it is responsible or for which it receives financial assistance from the U.S. Department of Education. Furthermore, the consortium will encourage participation by all of the above.
