WINTER COAT & BOOT DRIVE (HATS, GLOVES, & SCARVES TOO!)

Dear Parents & Caregivers:

We are excited to tell you that we will be continuing our partnership with Cradles to Crayons this school year. Our first event will be our Winter Coat & Boot Drive. We are also accepting winter hats, gloves and scarves. Please consider donating coats and other winter items that your children have outgrown or no longer use.

**There will be a collection bin in the front lobby from
October 20th – November 21st**

A few notes about donations:

- The children Cradles to Crayons help range in age from infants to pre-teens.
- Please donate **only gently used coats & boots**. The standard that they use to know if a piece of clothing is in good shape to donate is whether the **receiving child would feel happy and proud to wear it.**
- Boots need to be tied together with a rubber-band so they do not get mixed up.

LOOKING AHEAD

As the seasons are changing, please hold onto all of your gently used children's clothing for our Spring Clothing Drive to be held again in 2015 at FWES.
