

## *Grazing Committees Self-Assessment/Framework*

1. **Vision & Mission:** Preserve, Manage, Protect, & Enhance DRPOA Property Values, Natural Resources, & Community.
2. **Values of the DRPOA:** To represent all property owners in matters of mutual interest. Protect the living environment, manage the agriculture status, and preserve the real property values with intent to the Covenants, By-Laws, and Policy & Procedures of the DRPOA.
3. **Key Issues for changing the environment relevant to the Grazing Committee:** Grazing Budget, Grazing Lease/Lessee, Property Owners input, Long Range Strategic Plan, NRCS Recommendations/Advise, and Custer County Assessor.
4. **Role/Responsibilities:** Receive agenda descriptions, expectations, and information needed prior to meetings. Understand the financial position of the DRPOA. Feel you have an equal input into committee business and decision-making. Decision-making always in the best interests of the DRPOA. Committee will source professional advice when needed. Clear about the committee's role, of reporting recommendations back to the Board for approval.
