Brothers William and Keith had great fun on a day out at Bleakholt Animal Sanctuary with staff.

Leo enjoyed a brilliant day out at Lytham St Annes, this is the furthest he has been on outreach, he went on the train and was fantastic all day!

Jessica has had a new staff member Yvonne introduced to her staff team, they have already had lots of fun together engaging in different activities.

Zachary has been loving his arts and crafts sessions with staff after school, we can't wait to see his next big masterpiece!

It has taken a long time for Mustafa to engage and play with staff. Staff have built an arts and crafts box, this has really helped Mustafa to come out of his shell. He loves these sessions, he particularly cutting, glueing and making things.

Jacob had the best day ever at the Accrington Bus Festival, Jacob loves all things transport, the event was also free! BONUS!

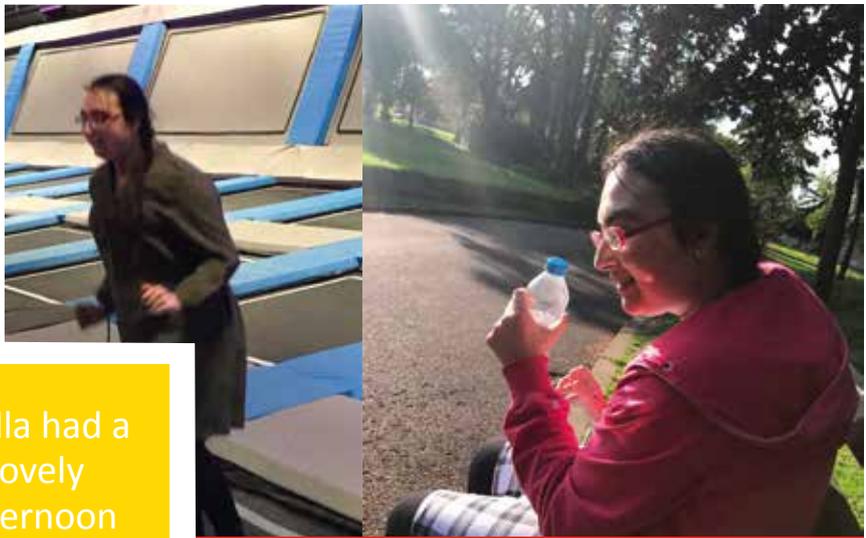

Lauren and Neera have formed a great friendship though attending the same disco session, they love to dance together and really look out for each other at the sessions.

Despite the rain Junaid had a fantastic day out at a fair in Accrington, he had a brilliant time, and was very pleased to win a prize on the hook a duck!

Steven had a scream at the Monster Jam event with his support worker Lee!

Tanzeela had lots of fun at the trampoline park bouncing all of her energy out, followed by a walk in the park and some water!

Stella had a lovely afternoon eating cakes and taking selfies with Lorraine

TARA DEARY

Tara has worked incredibly hard with her support worker Lorraine and has made us all so proud in her achievements, see below more details.

CLIENT ACHIEVEMENT OF THE QUARTER

WORK EXPERIENCE – Tara has been doing some work experience in the kitchens at Shadsworth Children’s Centre. She assists with a number of tasks and seems to enjoy it. Her attendance and punctuality have been excellent. This has helped to increase Tara’s confidence and she is benefitting from a more positive experience working around adults.

COLLEGE AND TRAINING – this year Tara felt confident enough to attend Blackburn College to study maths. This reflect her increased confidence level as in previous years Tara said this college was too big for her. Tara has also achieved accredited certificates in food hygiene and will shortly be attending a course to help her develop interview skills.

TARA IS GROWING UP ---

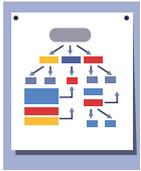

PERSONAL CARE – a lot of progress has been made this year with Tara’s personal care. She has maintained her weight loss and is learning about her own sense of clothes style and is enjoying buying clothes and looking nice. Tara is also getting her hair cut regularly and feeling more confident to wear it down, even though this attracts attention.

SOCIAL AND INDEPENDENCE SKILLS – anxiety around people has noticeable lessened over the last year and Tara’s confidence in talking to people has increased. Recently, Tara was talking to a young girl whilst ordering coffee and she asked this girl if she wanted to sit with us. Generally, Tara regularly initiates conversations with strangers and is feeling more at ease in around different kinds of people which will help her further develop her social life. Tara now has her own bank account and seems to manage her own money well.
