

The Coronavirus outbreak has made us all re-think our plans for the foreseeable future; the Government's announcement that all over 70's will be 'confined to barracks' anytime soon is to protect ourselves and others from this terrible virus spreading further.

Your committee held a meeting by telephone and decided that the April holiday in Llandudno from 27<sup>th</sup> to 1<sup>st</sup> May and the dances at Glenfield on 11<sup>th</sup> & 12<sup>th</sup> of July will be cancelled. We have taken this decision bearing in mind that over 90% of our membership is over this age and many well into their 80's and 90's, your welfare is at the top of our agenda. We did not think we could take the chance of holding the events in these uncertain times. To some of us it is reminiscent of World War II!

A refund cheque will be sent to you who have paid for the holiday or tickets in the coming weeks.

We apologise for this action but feel it was the only course left to us in the circumstances. In the meantime we thank you for your support and understanding and urge you all to keep safe and healthy and we look forward to seeing you all again soon.

The Committee of the English National Old Time Dance Society.

Fred

President.
