## ***User Friendly Meetings***

**Compatriots,**

For quite a while, the Saramana SAR Chapter has been holding its meetings/luncheons on Fridays – often going for 3 or more hours. This has had the effect of cutting out those members still working from participation in our society. The chapter has already shortened meeting times to two hours to make them more guest friendly. Now, in an attempt to encourage our younger and working compatriots to feel more welcome to participate, we are testing out Saturday's for our meetings/luncheons. Everyone who has joined the Sons of the American Revolution shares a bond of patriotic heritage. It is our hope that you will all join this effort to encourage greater participation by our entire body of members.

If you haven't sent your reservation in for this month's luncheon, meal information and the reservation form are at the end of this special newsletter.
