

Carroll County Western Circuit

2020 Sponsor Program

Carroll County Western Circuit, located in Carroll County Maryland, is the largest horse show club in the county and is celebrating 38 years in the community. Our club offers many opportunities for riders; clinics and other equine related events including a show season with six shows for both young and old, male or female, experienced or novice and any discipline of horse. We average about 2400 entries a year and have a wonderful turnout from the local community along with participants within a 200-mile radius. Throughout the year, we give back to our members and equine enthusiasts with random class prizes and Year-End Awards.

Horseback riding provides many benefits for all ages. Horseback riding is good for your health and well-being. Riders develop better reflexes and a sense of balance and coordination as they use their entire body to guide and propel horse forward. Riding also offers cardio benefits by lifting saddles onto the back of a horse, mucking stalls, moving hay bales, etc., builds muscles and physical strength. Horseback riding teaches responsibility, patience, discipline, understanding, empathy, compassion, self-control, dedication and problem solving. Riders build confidence and self-esteem. Most of all, horseback riding is FUN!

We are working hard to offer great opportunities in the area at a reasonable cost to our participants. We need your help. On average, it costs about \$1,000 to host a horse show. With your donation, your business is advertised on our website (www.theccwc.com), social media and will be recognized at each of our shows. While any amount of assistance is greatly appreciated, donations of \$500 or more will receive a banner that will be placed on the show ring.

Product donations are also greatly appreciated such as gift certificates, generous coupons, tack, horse feed, shavings, halters, show headstalls, grooming items, art work, handmade horse items, Breyer Horses, spurs, horse clothing, jewelry, etc. These items are used as class awards and/or end of year awards.
