

Mid-County Volunteer Rescue Squad  
Minutes of Meeting General Membership  
10 January 2018

President: Jamie Packett brought meeting to order 1931. Jamie thanked everyone for attending tonight. He stressed having a transparent squad, without rumors, having trust for each other and hopes we can work together as a team in the coming year.

Treasurer Jeanne Widenmyer: End of year in the black with \$406,187.15. Spent this month \$4,885.26 and income of \$4,307.00. Membership moved it to audit.

1<sup>st</sup>. Lt. Phil Shahan: Captain's report read to membership by President as follows: Thank you everyone for running calls this past month.

Good job to EMTs on reports, noticed a 100% on reporting vitals and GCS scores on trauma patients on quarterly validation report from the state.

After calls, please be sure to check to make sure the Lifepak is plugged in. It was found the other day to be unplugged with almost dead batteries on a call.

2.nd Lt. Robert Hundley No report

Vehicle Officer: Charles Howard: Unit 44 was recalled for a repair which has been taken care of.

Reminded everyone to be sure when exiting from the door of Unit 44 that the step is extended.

Unit has handled very good in the inclement weather.

Captain Melvin Cockrell: Welcome to 2018. I am here for Mid-County, contact info is, text message is the best 724-0503.

Date for building clean up, 3 Feb. 0900.

An Infection Control Officer is needed.

A Comment Box will be made available soon for anyone that may feel uncomfortable discussing a problem with an officer. The

Member at Large: Valerie Barton is also available to confer with. Comment Box will be locked and confidential.

VP Garfield Parker: We are alive and well. Garfield wants to actively go after new members with incentives like paying for training in exchange for service to the squad. Any ideas, concerns to be up front would like to see ideas, new members, sort out members we do have. We need active help.

New Business: James Webb, Roster is out, 8 calls. 139 for the year. Fill out the call sheet for any activities so you can receive credit.

Secretary Madge Rollins some money be set aside in the coming year to purchase updated CPR manikins.

Joe Schlatter will be doing a check list for Unit 44, Friday 12<sup>th</sup> at 10:00. Get it ready for inspection.

Joe also suggested to crews when moving a patient to the hospital or an evac flight to check for false teeth, hearing aids etc. with family to include personnel items are with them. Could save a lot of time and worry.

Captain: When attending an accident don't hesitate to ask patient if they have any weapons on them.

Member at Large: Valerie Barton: She received good feed-back from the December dinner party at Indian Creek. If we are in agreement this coming year, would like to get it settle earlier so arrangements can be made so we can get the date we want and can be planned on.

New Business: Rebekah Haynie was asked if she would do follow up with patients and be our Public Relations point of contact. She said she would with help.

Abbey Kiss was introduced as an incoming new member when all the paper works is completed. She is a senior at NHS and EMT.

Howard Fones request we purchase a Reed people mover.
