

2019 - 2020 Revelation Science High School Supply List – ANATOMY

NOTE: Notebooks are an integral part of your science class. A handout on how to organize your notebook is given at Orientation, so you can put it together and have it ready for the first day of class.

Notebooks are evaluated in the Fall and Spring.

ANATOMY - [Chemical splash goggles](#); **MUST HAVE** side shields, seal to face, & have **INDIRECT** ventilation
Students bring goggles to our **FIRST** class with their initials on them. Goggles stay at the lab until the end of year, then are returned. (*Recommend anti-fog*)

Anatomy and Physiology Class –

- 1. [Advance Biology: The Human Body 2nd Ed](#)**
- 2. Kaplan (publisher) - [Anatomy Coloring Book, 6th Edition](#)**
Please note that the 5th edition will work as well, but since it may be difficult to find, I am listing the 6th edition, which is the newest.

OPTIONAL: [Advanced Biology Student Notebook](#)

This is a supplement that some students like using. Please keep in mind that everything goes in the class notebook, so papers will be torn out and some copying out of this book will be needed. I will talk about it more at Orientation.
