BUILDING AND INSTALLATION OF PARK TRAIN MAY 2005

CHOO! CHOO!

Local Home Depot the source for the lumber. The retired Peter Wagman, a member of the community club, recently finished construction on a 30-foot wooden train for the station to play on when they visit the new city park located from Village Hall. Wagman is a

retired banker, but woodworking has been a lifelong hobby, and he put 1,000 hours into building the train. "It has a locomotive engine, a coal car, a tanker car, and a caboose," he said. "...I wanted to donate to my gift to the village."
