

Scholarships for graduating seniors of AVUTA members who are going to attend college / trade school can be found on the AVUTA website and are open from March 1st - 31st. All forms must be submitted electronically by the deadline. The amount of the scholarship will depend on how many applicants there are. Scholarship certificates will be handed out at Senior Awards Night. An email will be sent out to applicants in August reminding them to provide proof of enrollment and upon receipt of that, a check will be mailed.

We wish you the best in your future endeavors!
