GOVERNMENT DATA COLLECTION AND DISSEMINATION PRACTICES ACT LETTER

MARKET RATE DEVELOPMENTS

As provided by the Government Data Collection and Dissemination Practices Act, anyone who is requested to provide personal information about himself must be informed whether he is legally required to provide such information, or whether he may refuse to supply the information requested. As an applicant for housing financed to the Virginia Housing Development Authority, you are requested to provide certain information that will enable Colonial Square Apartments to complete a "Tenant Income Certification"

The information requested will be used to determine an adjusted annual income which you and your family receive from all income sources. This is necessary because the Rules and Regulations adopted pursuant to the Authority conferred on the Virginia Housing Development Authority limit eligibility for initial occupancy to families whose adjusted income does not exceed certain established limits. In addition, it is necessary to know the composition of your family (number of dependents) so that the proper size of dwelling unit may be authorized for you and your family.

Although you are not legally required to provide the information requested, your failure to do so will result in our inability to determine your eligibility for housing in this development.

The completed "Tenant Income Certification" is electronically transmitted by this management agent/owner to the Virginia Housing Development Authority, 601 South Belvidere Street, Richmond, VA 23220. It is possible that information provided by you will be revealed to others for the purpose of confirmation or for other purposes in accordance with the Virginia Freedom of Information Act, but any information so supplied is subject to the safeguards of the Government Data Collection and Dissemination Practices Act.
