

LUMIERE CHILDREN'S THERAPY- BCBA- IMMEDIATE HIRE- FULLTIME

Come join one of the fastest growing, truly transformative pediatric therapy groups in Chicago. Lumiere Children's Therapy is looking for an extraordinary Board Certified Behavior Analyst (BCBA) to work in our interdisciplinary setting. We are looking for someone who will grow with us and bring the best they have for the fantastic kiddos we serve. Please have the following:

- Board Certification as a BCBA
- 1-5 years of experience
- The belief that your amazing skill set can make a profound and lasting impact on the children you will work with while at Lumiere Children's Therapy.

Here is what we will give in return: We will offer a competitive salary, a supportive work environment, and positivity and inspiration at the end of long days. We value and will provide in-house training to help support you and hone your skills. This position can grow into full time as your caseload grows.

About Lumiere Children's Therapy: We work with children with communication disorders, fine and gross motor challenges, emotional disorders, language delays, sensory integration issues, autism spectrum disorders, feeding disorders, and social skill challenges. We believe collaboration across disciplines helps reveal the optimal learning styles and care plan for the children we serve. We also focus on educating families, so they become allies in their child's development and specific challenges. Submit inquires to :
